# REGULATION (EEC) No 1751/72 OF THE COUNCIL

## of 2 August 1972

## extending to other imports the Annex to Regulation (EEC) No 109/70 establishing common rules for imports from state-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 109/70[1] of 19 December 1969 establishing common rules for imports from state-trading countries, and in particular Article 2 thereof;

Having regard to the proposal from the Commission;

Whereas in respect of certain products quantitative restrictions have been removed by all the Member States as regards certain state-trading countries;

Whereas the extension of Regulation (EEC) No 109/70 to imports of those products from state-trading countries is not liable to create a situation where the application of the protective measures provided for in Title IV of that Regulation would be justified;

Whereas the Annex to Regulation (EEC) No 109/70 may accordingly be extended to include the imports in question;

Whereas that Annex has been amended several times; whereas for practical reasons the Commission should be authorized to bring it up to date and to have it published;

HAS ADOPTED THIS REGULATION:

*Article 1*

The Annex to Regulation (EEC) No 109/70 shall be extended to include imports from the third countries indicated by an asterisk of the products listed in the Annex to this Regulation.

*Article 2*

The Commission is authorized to publish the Annex to Regulation (EEC) No 109/70 in its present version.

*Article 3*

Subject to the Community system of generalized preferences, which the new Member States are to apply from 1 January 1974, and subject to agreements entered into or to be entered into by the Community, the United Kingdom shall have the right, with regard to Bulgaria, Czechoslovakia, Hungary, Poland and Romania, to retain until 31 December 1975 at the latest restrictions on imports of products falling within tariff subheading No 54.03 A or B I. If need be, the Council, acting by a qualified majority on a proposal from the Commission, may extend this deadline to any date up to and including 31 December 1977.

*Article 4*

Subject to the Community system of generalized preferences, which the new Member States are to apply from 1 January 1974, and subject to agreements entered into or to be entered into by the Community, the United Kingdom shall have the right, with regard to Bulgaria, Czechoslovakia, Hungary, Poland and Romania, to retain until 31 December 1974 quantitative restrictions on imports of products falling within tariff subheading No 59.17 B II.

*Article 5*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

However, Articles 3 and 4 shall enter into force only on the accession of the United Kingdom to the Community.
