THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (1), and in particular Article 16 (5) thereof,

Whereas the Annexes to Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto (2), as last amended by Regulation (EEC) No 3320/75 (3), fix the corrective amounts corresponding to the differences in the value of rice or broken rice of the qualities offered on the world market as compared with the value of the standard quality for which the threshold price is fixed;

Whereas offers on the world market have been recorded for rice of the 'Carolina' variety from South America, for 'Gruesos' broken rice from Spain and for broken rice from Africa which are not included in the Annexes to Regulation (EEC) No 1613/71;

Whereas for the purpose of fixing cif prices a corrective amount must be fixed for these varieties, taking into account both the Community standard quality and the differences in price and in characteristics between these qualities and those listed in the said Annexes;
