

COMMISSION REGULATION (EEC) No 1171/79

of 14 June 1979

amending Regulation (EEC) No 876/79 suspending the entry for home use within the Community of cultivated mushrooms in brine originating in Taiwan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1152/78⁽²⁾, and in particular Article 14 (2) thereof,

Whereas Commission Regulation (EEC) No 876/79⁽³⁾, suspended the entry for home use within the Community of cultivated mushrooms in brine originating in Taiwan, with effect from 30 May 1979;

Whereas, when this step was taken, a journey time was fixed to allow goods at sea to reach the Community;

Whereas the present situation in shipping, and in particular the effect of the fuel situation on the speed of ships, means at present that certain ships that have left Taiwan are unable to complete the journey between Taiwan and the Community within the time limit laid down; whereas, in these exceptional circumstances, the time limit should be extended for those goods which were being transported towards the Community at the time when Regulation (EEC) No 876/79 was published,

HAS ADOPTED THIS REGULATION:

Article 2

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 June 1979.
