2. Where the Commission is of the opinion, in the light of the information at its disposal, that the admission free of import duties of an article is liable to prejudice the production of equivalent articles within the Community, it shall as soon as possible notify a group of experts composed of representatives of all the Member States, who shall meet within the framework of the Committee on Duty-Free Arrangements in order to examine the matter or matters concerned.

Pending the completion of that procedure, the competent authority may authorize the provisional importation free of import duties of the article subject to an undertaking by the institution or organization to which the article is consigned to pay the relevant customs duties should admission free of import duties not be granted.

This notification shall, as soon as possible, be published if necessary in abbreviated form, in the *Official Journal of the European Communities*, C series.

If, within the period of three months laid down in paragraph 3, a Member State has sent the Commission objections regarding the importation free of import duties of the article under consideration, the Commission shall as soon as possible notify a group of experts composed of representatives of all the Member States, who shall meet within the framework of the Committee on Duty-Free Arrangements in order to examine the matter.

The objections referred to in the preceding subparagraph must include a statement of the grounds therefor. Such grounds must indicate why the article concerned should not be regarded as being specially designed for the education, employment or social advancement of handicapped persons.

The Commission shall transmit these objections to the Member States as soon as they are received.

5. Where the examination undertaken in accordance with paragraph 4 shows that the article for which admission free of import duties has been requested must be regarded as being specially designed for the education, employment or social advancement of handicapped persons, the Commission shall adopt a decision declaring that the said article fulfils the conditions required for admission free of import duties.

In the contrary case the Commission shall adopt a decision declaring that the said article does not fulfil the conditions required for admission free of import duties.

The Commission shall notify the Member State concerned of its decision within two weeks. This decision shall, as soon as possible, be published if necessary in abbreviated form, in the *Official Journal of the European Communities*, C series.
