

COMMISSION REGULATION (EEC) No 420/83

of 21 February 1983

on arrangements for imports into Benelux of certain textile products originating
in the People's Republic of China

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

HAS ADOPTED THIS REGULATION :

Having regard to the Treaty establishing the European
Economic Community,

Article 1

Having regard to Council Regulation (EEC) No 3061/79 of 20 December 1979 on common rules for imports of certain textile products originating in China⁽¹⁾, as last amended by Regulation (EEC) No 2007/82⁽²⁾, and in particular Article 11 (4) and (5) thereof,

The importation into Benelux of the product-categories originating in China and specified in the Annex hereto shall be subject to the quantitative limits given in that Annex and to the provisions of Article 2.

Article 2

Whereas Article 11 of Regulation (EEC) No 3061/79 lays down the conditions under which quantitative limits may be established ;

1. Products as referred to in Article 1, shipped from China into Benelux before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a shipment certificate proving that shipment actually took place before that date.

Whereas Commission Regulation (EEC) No 341/82⁽³⁾ set provisional quantitative limits on imports into certain Community regions, of certain textile products of Chinese origin pending the result of the consultations in progress ;

2. All quantities of products shipped from China on or after 1 January 1982 and released for free circulation shall be deducted from the quantitative limits respectively fixed for the year 1982 or 1983 according to the date of shipment of the goods. These quantitative limits shall not, however, prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation.

Whereas consultations yielded a mutually acceptable result and it is therefore necessary to set the final quantitative limits for certain products of category 91 for the years 1982 and 1983 and to cancel the provisional quantitative limits ;

3. The imports of products exported from China to Benelux from the date of entry into force of this Regulation are subject to the double-checking system established by Article 1 of Annex V to Regulation (EEC) No 3061/79.

Whereas the quantities of the products in question exported from China between 1 January 1982 and the date of entry into force of this Regulation must be set off against the quantitative limits which have been respectively introduced for the year 1982 or 1983 according to the date of shipment of the goods ;

Article 3

Whereas these quantitative limits do not prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation ;

Regulation (EEC) No 341/82 is hereby repealed.

Article 4

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

It shall apply until 31 December 1983.

⁽¹⁾ OJ No L 345, 31. 12. 1979, p. 1.

⁽²⁾ OJ No L 216, 24. 7. 1982, p. 1.

⁽³⁾ OJ No L 44, 16. 2. 1982, p. 5.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 February 1983.

For the Commission

Wilhelm HAFERKAMP

Vice-President
