

COMMISSION REGULATION (EEC) No 2285/84**of 3 August 1984****prolonging the temporary suspension of the advance fixing of the import levy
for maize**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals ⁽¹⁾, as last amended by
Regulation (EEC) No 1018/84 ⁽²⁾, and in particular the
first subparagraph of Article 15 (7) thereof,

Whereas Article 15 (7) of Regulation (EEC) No
2727/75 provides that the provisions concerning
advance fixing of the levy may be suspended if the
market situation shows that the application of such
provisions will or is likely to cause difficulties;

Whereas there is a danger, having regard to the situa-
tion on the world cereals market, that, if existing
arrangements are adhered to, levies could be fixed in
advance in the short term for quantities considerably
greater than the quantities which might be expected
under more normal conditions;

Whereas Commission Regulation (EEC) No 2259/84
of 1 August 1984 ⁽³⁾ temporarily suspended advance

fixing of the import levy for maize; whereas the
reasons which led to that suspension still exist;
whereas it is important, therefore, to continue that
measure for a limited period, which will make it
possible to monitor the situation;

Whereas the Management Committee for Cereals has
not delivered an opinion within the time limit set by
its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 1 of Regulation (EEC) No 2259/84 '6
August 1984' is hereby replaced by '9 August 1984'.

Article 2

This Regulation shall enter into force on 4 August
1984.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 3 August 1984.
