COMMISSION REGULATION (EEC) No 2682/84

of 21 September 1984

amending Regulation (EEC) No 1443/82 laying down detailed rules for the application of the quota system in the sugar sector and Regulation (EEC) No 787/83 on communications in the sugar sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector (1), as last amended by Regulation (EEC) No 606/82 (2), and in particular Articles 28 (7) and 39 thereof,

Whereas Commission Regulation (EEC) No 1443/82 (3), as amended by Regulation (EEC) No 434/84 (4), lays down specific time limits for establishing and paying advances on production levies and the balance of levies for each marketing year; whereas, to achieve a closer correspondence between the collection of this revenue in connection with a given budget year on the one hand and expenditure for the related marketing year on the other, provision should be made to bring forward by four weeks the payment by producers of the balances due on their levies; whereas the date for payment of advance instalments on levies by the same producers should also be altered; whereas bringing forward the time limit for payment of the balance requires an amendment to Regulation (EEC) No 787/83 (5) on communications;

Whereas the Management Committee for Sugar has not delivered an opinion with the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:
