

COMMISSION REGULATION (EEC) No 2248/85

of 25 July 1985

on detailed rules for administrative assistance with the exportation of Emmentaler cheese subject to quota restrictions that qualifies for special treatment on importation into the United States of America

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2931/79 of 20 December 1979 on the granting of assistance for the exportation of agricultural products which may benefit from special import treatment in a third country ⁽¹⁾, and in particular Article 1 (2) thereof,

Whereas the Community and the United States of America have agreed under the GATT to allow importation into the United States of cheese of Community origin subject to quota restrictions with effect from 1 January 1980; whereas this agreement was approved by Council Decision 80/272/EEC ⁽²⁾;

Whereas the United States of America has committed itself to take all necessary measures so that the management of the quota by the administration will be such as to permit its maximum utilization; whereas in the light of experience it appears to be appropriate to strengthen administrative cooperation with the United States of America to ensure that the quota of Emmentaler cheese of Community origin is fully utilized; whereas the cheese concerned should therefore be accompanied by a certificate issued by the competent authorities in the Community;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
