

COMMISSION REGULATION (EEC) No 1704/87

of 18 June 1987

fixing the quantity of young male bovine animals which may be imported on special terms in the third quarter of 1987

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 467/87 ⁽²⁾, and in particular Articles 13 (4), 15 (2) and 25 thereof,

Whereas the Council has established an estimate of 168 000 head under the new import arrangements for young male bovine animals for fattening, for the period 1 January to 31 December 1987; whereas, under Article 13 (4) (a) of Regulation (EEC) No 805/68, the quantity which may be imported each quarter and the rate of reduction of the import levy on these animals must be determined;

Whereas detailed rules for the practical application of the special arrangements were laid down in Commission Regulation (EEC) No 612/77 ⁽³⁾, as last amended by Regulation (EEC) No 1121/87 ⁽⁴⁾, and in Regulation (EEC) No 2377/80 ⁽⁵⁾, as last amended by Regulation (EEC) No 520/87 ⁽⁶⁾;

Whereas the supply requirements of certain regions of the Community which have a serious deficit in bovine animals for fattening must be taken into account; whereas these requirements are apparent in Italy and in Greece and may be estimated for the third quarter of 1987 at 36 500 head and 5 600 head respectively in those Member States;

Whereas the supply requirements in young bovine animals for fattening justify, for the third quarter of 1987, a higher rate of reduction of the levy for animals weighing from 220 to 300 kilograms per head, originating in and coming from Yugoslavia;

Whereas the partial reduction of the levy is intended to help improve cattle rearing and beef and veal production structures in Italy and in Greece; whereas appropriate measures must therefore be taken to ensure that producers can, as far as possible, benefit directly from the arrangements without traditional trade being excluded; whereas this objective can be achieved by giving agricultural producers and their organizations priority when

issuing the licences conferring entitlement to benefit from the arrangements;

Whereas, according to Article 9 (1) of Regulation (EEC) No 2377/80, the applicant shall undertake either to carry out himself or to have carried out under his responsibility, the task of fattening; whereas, in the case of agricultural producers or their professional organization, it appears that the opportunity given to the applicant not to carry out himself the task of fattening could give rise to abuses in certain cases; whereas it seems appropriate consequently to abolish that opportunity for the quarter in question;

Whereas, in the case of import licence applications made by agricultural producers or their professional organizations, or the traditional trade, it is necessary, in order to permit a more equitable distribution of the quantities available, to limit the maximum quantity which each application may cover;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
