COUNCIL REGULATION (EEC) No 791/89

of 20 March 1989

amending Regulation (EEC) No 2169/81 laying down the general rules for the system of aid for cotton

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece, and in particular Protocol 4 on cotton annexed thereto, as last amended by Regulation (EEC) No 4006/87 [1],

Having regard to the proposal from the Commission,

Whereas Article 4 (3) of Regulation (EEC) No 2169/81 [2], as last amended by Regulation (EEC) No 2261/88 [3], states that the world market price for ginned cotton is to be determined for a product as defined in Greece; whereas, as a result of the accession of Spain, that reference to a particular situation in Greece should be deleted and replaced by a definition used in international trade;

Whereas under the terms of Article 5 (2) of Regulation (EEC) No 2169/81 the application for aid may be lodged before submission of the application for supervised storage; whereas in order to ensure that the system of aid operates properly, it should be stipulated, that in such cases, the application is not valid unless security is lodged as a guarantee of submission of the application for supervised storage within the period set;

Whereas following adjustment by Regulation (EEC) No 1964/87 [4] of the system of aid for cotton introduced by Protocol 4 annexed to the Act of Accession of Greece, Article 6 (4) and Article 7 (1) of Regulation (EEC) No 2169/81 should be amended,
