of 24 January 1990

derogating from Commission Regulation (EEC) No 3771/89 laying down detailed rules for the production aid for high-quality flint maize

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975, on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3707/89⁽²⁾, and in particular Article 10a (6) thereof,

Having regard to Council Regulation (EEC) No 1835/89 of 19 June 1989, setting general rules on the production aid for high-quality flint maize⁽³⁾, and in particular Article 3 (2) thereof,

Whereas Article 13 of Commission Regulation (EEC) No 3771/89 of 14 December 1989 laying down detailed rules for the production aid for high-quality flint maize⁽⁴⁾, stipulates the date by which Member States must submit to the Commission applications stating the names of varieties that they wish to have included on the list mentioned in Article 12 (1) of that Regulations and the date by which they must transmit seed samples to the laboratories listed in Annex III; whereas Article 14 (1) stipulates the time limit by which laboratories must notify the analysis results to the Commission; whereas in view of the shortness of the period between the entry into force of this Regulation and the time limits in question they should, for the marketing year in progress, be extended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
