Whereas Article 85 (1) of the Act of Accession makes provision for the Commission to take the interim protective measures necessary if the indicative ceiling for the year in course or part of it is reached or exceeded;

Whereas the licence applications lodged between 29 April to 3 May 1991 are for a quantity in excess of that set for the second quarter for fresh and chilled beef and veal

whereas as an interim protective measure only a percentage of the amounts applied for in that period should be granted and no further certificates issued for the time being,
