COUNCIL REGULATION (EC) No 1110/1999**of 10 May 1999**

providing for duty-free treatment of specified pharmaceutical active ingredients bearing an international non-proprietary name (INN) from the World Health Organisation and specified products used for the manufacture of finished pharmaceutical products

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

- (5) Whereas the second such review has taken place with the conclusion that additional INNs and products used for production and manufacture of finished pharmaceutical products should be granted duty-free treatment and that the list of specified prefixes and suffixes for salts and esters of INNs should be expanded,

- (1) Whereas, in the course of the Uruguay Round negotiations, the Community and a number of countries discussed duty-free treatment of pharmaceutical products;

HAS ADOPTED THIS REGULATION:

Article 1

- (2) Whereas the participants in those discussions concluded that, in addition to products falling within the Harmonised System (HS) Chapter 30 and HS Headings 2936, 2937, 2939 and 2941, duty-free treatment should be given to designated pharmaceutical active ingredients bearing an international non-proprietary name (INN) from the World Health Organisation, as well as specified salts, esters and hydrates of such products, and also to designated products used for the production and manufacture of finished pharmaceutical products;

As from 1 July 1999 the Community shall accord duty-free treatment for the INNs listed in Annex I as well as the salts, esters and hydrates of such products.

Article 2

As from 1 July 1999 the Community shall accord duty-free treatment for the products used in the production and manufacture of finished pharmaceutical products listed in Annex II.

- (3) Whereas the results of the discussions, as set out in the Record of Discussions, were incorporated into the tariff schedules of the participants annexed to the Marrakesh Protocol to GATT 1994;

Article 3

As from 1 July 1999 the specified prefixes and suffixes of INNs eligible for duty-free treatment shall include those listed in Annex III.

- (4) Whereas they also concluded that representatives of the World Trade Organisation (WTO) members party to the Record of Discussions would meet under the auspices of the Council for Trade in Goods of the WTO, normally at least once every three years, to review the product coverage with a view to including, by consensus, additional pharmaceutical products for tariff elimination;

Article 4

This Regulation shall enter into force on the seventh day following that of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 May 1999.

For the Council

The President

H. EICHEL
