

COMMISSION REGULATION (EC) No 282/2002
of 14 February 2002
determining the world market price for ungin­ned cotton

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Protocol 4 on cotton, annexed to the Act of Accession of Greece, as last amended by Council Regulation (EC) No 1050/2001 ⁽¹⁾,

Having regard to Council Regulation (EC) No 1051/2001 of 22 May 2001 on production aid for cotton ⁽²⁾, and in particular Article 4 thereof,

Whereas:

- (1) In accordance with Article 4 of Regulation (EC) No 1051/2001, a world market price for ungin­ned cotton is to be determined periodically from the price for gin­ned cotton recorded on the world market and by reference to the historical relationship between the price recorded for gin­ned cotton and that calculated for ungin­ned cotton. That historical relationship has been established in Article 2(2) of Commission Regulation (EC) No 1591/2001 of 2 August 2001 ⁽³⁾. Where the world market price cannot be determined in this way, it is to be based on the most recent price determined.
- (2) In accordance with Article 5 of Regulation (EC) No 1051/2001, the world market price for ungin­ned cotton is to be determined in respect of a product of specific characteristics and by reference to the most favourable offers and quotations on the world market among those

considered representative of the real market trend. To that end, an average is to be calculated of offers and quotations recorded on one or more European exchanges for a product delivered cif to a port in the Community and coming from the various supplier countries considered the most representative in terms of international trade. However, there is provision for adjusting the criteria for determining the world market price for gin­ned cotton to reflect differences justified by the quality of the product delivered and the offers and quotations concerned. Those adjustments are specified in Article 3(2) of Regulation (EC) No 1591/2001.

- (3) The application of the above criteria gives the world market price for ungin­ned cotton determined hereinafter,

HAS ADOPTED THIS REGULATION:

Article 1

The world price for ungin­ned cotton as referred to in Article 4 of Regulation (EC) No 1051/2001 is hereby determined as equalling EUR 22,341/100 kg.

Article 2

This Regulation shall enter into force on 15 February 2002.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 February 2002.
