Before the Commission can award the supply contract, it needs various items of information about the tenderer concerned (in particular the bank account to be credited). These details are contained in a form available on the Internet at the following website:

[http://europa.eu.int/comm/budget/execution/ftiers\\_fr.htm](http://europa.eu.int/comm/budget/execution/ftiers_fr.htm).

If these details are missing, the tenderer designated as the supplier may not invoke the time limit for notification referred to in Article 9(4) of Regulation (EC) No 2519/97.

You should therefore include the above form with your bid after filling in the required details.
