of 20 December 2006**

**amending Council Regulation (EEC) No 3922/91 on the harmonisation of technical requirements
and administrative procedures in the field of civil aviation**

Having regard to the Treaty establishing the European Community, and in particular Article 80(2) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Economic and Social Committee,

After consulting the Committee of the Regions,

Acting in accordance with the procedure laid down in Article 251 of the Treaty ⁽¹⁾,

Whereas:

- (1) Annex III to Regulation (EEC) No 3922/91 ⁽²⁾ provides for common technical requirements and administrative procedures applicable to commercial transportation by aeroplanes. Those harmonised requirements and procedures apply to all aeroplanes used by Community operators whether registered in a Member State or in a third country.
- (2) The measures necessary for the implementation of Regulation (EEC) No 3922/91 should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ⁽³⁾.
- (3) In particular, the Commission should be empowered to establish the conditions under which, as provided for in Regulation (EEC) No 3922/91, the common technical requirements and administrative procedures set out in Annex III thereof may be amended or supplemented, or a Member State exempted from applying them. Since those measures are of general scope and are designed to amend non-essential elements of that Regulation, or to supplement it by the addition of new non-essential elements, they should be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.
- (4) When, on imperative grounds of urgency regarding the maintenance of a sufficient level of aviation safety, the normal time-limits for the regulatory procedure with scrutiny cannot be complied with, the Commission

should be able to use the urgency procedure provided for in Article 5a(6) of Decision 1999/468/EC for the adoption of certain measures.

- (5) Regulation (EEC) No 3922/1991 should therefore be amended accordingly,
