COMMISSION IMPLEMENTING REGULATION (EU) 2023/2110

of 10 October 2023

fixing the trigger volumes for the years 2024 and 2025 for the purposes of possible application of additional import duties on certain fruit and vegetables

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 ⁽¹⁾, and in particular Article 183, first paragraph, point (b), thereof,

Whereas:

- (1) Article 39 of Commission Implementing Regulation (EU) 2017/892 ⁽²⁾ provides that an additional import duty as referred to in Article 182(1) of Regulation (EU) No 1308/2013 may be applied to the products and during the periods listed in Annex VII to that Implementing Regulation. That additional import duty has to apply if the quantity of any of the products put into free circulation for any of the periods of application set out in that Annex exceeds the trigger volume of imports in a year for that product. Additional import duties may not be imposed where the imports are unlikely to disturb the Union market, or where the effects would be disproportionate to the intended objective.
- (2) In accordance with Article 182(1) of Regulation (EU) No 1308/2013, the trigger volumes of imports for the possible application of additional import duties on certain fruit and vegetables are equal to 125 % of average imports of each concerned product during the application period for the previous three years as domestic consumption is not taken into account. On the basis of the data notified by the Member States for the years 2020, 2021 and 2022, the trigger volumes for certain fruit and vegetables should be fixed for the years 2024 and 2025.
- (3) Taking into account that the period of application of possible additional import duties as set out in Annex VII to Implementing Regulation (EU) 2017/892 starts for a number of products on 1 January, this Regulation should apply from 1 January 2024,

HAS ADOPTED THIS REGULATION:
