

**Corrigendum to Commission Implementing Regulation (EU) 2024/1618 of 6 June 2024 amending Implementing Regulation (EU) 2021/763 laying down implementing technical standards for the application of Regulation (EU) No 575/2013 of the European Parliament and of the Council and Directive 2014/59/EU of the European Parliament and of the Council with regard to the supervisory reporting and public disclosure of the minimum requirement for own funds and eligible liabilities**

(Official Journal of the European Union L, 2024/1618, 7 June 2024)

At the end of the document, the following Annex IV is added:

‘ANNEX IV

**DISCLOSURE ON THE MINIMUM REQUIREMENT FOR OWN FUNDS AND ELIGIBLE LIABILITIES – INSTRUCTIONS**

**1. General instructions: Structure and conventions**

**1.1. Structure**

1. This framework for disclosures on MREL and TLAC consists of three groups of templates:
  - (a) MREL and TLAC of resolution groups and resolution entities;
  - (b) MREL and TLAC of non-resolution entities and material subsidiaries of non-EU global systemically important institutions (G-SIIs);
  - (c) creditor ranking of issuing entities.
2. For each template legal references are provided. Further detailed information regarding more general aspects of the reporting of each set of templates and instructions concerning specific positions are included in this Annex.

**1.2. Abbreviations**

3. The following abbreviations apply for the purposes of the Annexes to this Regulation:
  - (a) “MREL” refers to the minimum requirement for own funds and eligible liabilities pursuant to Article 45 of Directive 2014/59/EU;
  - (b) “TLAC” refers to the requirement for own funds and eligible liabilities for G-SIIs pursuant to Article 92a of Regulation (EU) No 575/2013;
  - (c) “Internal TLAC” refers to the requirement for own funds and eligible liabilities for non-EU G-SIIs pursuant to Article 92b of Regulation (EU) No 575/2013;
  - (d) “Internal MREL” refers to the MREL applied to entities that are not themselves resolution entities pursuant to Article 45f of Directive 2014/59/EU.

**2. EU KM2: Key metrics – MREL and, where applicable, G-SII requirement for own funds and eligible liabilities**

4. Entities shall explain in the narrative accompanying the template any material difference between the own funds amounts disclosed and the IFRS 9 fully loaded amount at the resolution group level. They shall also explain any material difference between the IFRS 9 fully loaded amount at the resolution group level compared to the IFRS 9 fully loaded amount at prudential group level.

### 3. EU TLAC 1: Composition – MREL and, where applicable, G-SII requirement for own funds and eligible liabilities

5. The own funds and eligible liabilities position related to the resolution group shall include only capital instruments and eligible liabilities issued by the resolution entity and, where compliant with Article 45b(3) of Directive 2014/59/EU or Article 88a of Regulation (EU) No 575/2013, as applicable, by subsidiaries of the resolution entity, at the exclusion of entities outside of the resolution group. Similarly, the own funds and eligible liabilities position is based on the total risk exposure amount (adjusted as permitted under Article 45h(2) of Directive 2014/59/EU) and total exposure measure calculated at the level of the resolution group.

6. Regarding the regulatory adjustments, entities shall disclose deductions from own funds and eligible liabilities as negative numbers and additions to own funds and eligible liabilities as positive numbers.

## 5. EU TLAC2: Creditor ranking – entities that are not resolution entities themselves

8. The information included in template EU TLAC2 is disclosed at the level of the individual entity.
9. Template EU TLAC2 exists in two versions, EU TLAC2a and EU TLAC2b. TLAC2a captures all funding that is *pari passu* or junior to MREL-eligible instruments, including own funds and other capital instruments. EU TLAC2b captures only own funds and liabilities eligible to meet the requirement set out in Article 45 of Directive 2014/59/EU in accordance with Article 45f of that Directive.
10. In accordance with Article 13(2) of this Regulation, entities that are not subject to the obligation to comply with the requirement of Article 92b of Regulation (EU) No 575/2013, but are subject to the obligation to comply with the requirement set out in Article 45 of Directive 2014/59/EU in accordance with Article 45f of that Directive can choose whether they use EU TLAC2a or EU TLAC2b to comply with the disclosure requirement set out in Article 45i(3), point (b), of Directive 2014/59/EU.
11. From the date of application of Article 45i(3) of Directive 2014/59/EU, issuing entities shall disclose under template TLAC2a liabilities potentially eligible for meeting the internal MREL and internal TLAC requirements. Before that date, issuing entities shall disclose liabilities potentially eligible for meeting the internal TLAC requirement.
12. The outstanding amounts referred to in the rows have to be broken down into insolvency ranks on the basis of the insolvency law of the issuing entity, irrespective of the governing law of the instrument.
13. Insolvency rankings shall be those communicated by the competent resolution authority in compliance with the standardised presentation specified in Article 8 of this Regulation.
14. The ranks are presented from the most junior to the more senior. Columns for ranks have to be added until the most senior ranking potentially eligible instruments have been disclosed.
15. The amount attributable to each rank is further broken down into amounts owned by the resolution entity, including amounts owned directly or indirectly by the resolution entity through entities along the chain of ownership, where applicable; and other amounts not owned by the resolution entity, where applicable. The total amount of each row is filled into the last column of each row.

| 11   | <b>Of which perpetual securities</b><br>Subset of row 6 that are perpetual securities.  |

#### 6. EU TLAC3: Creditor ranking – resolution entity

16. The information included in template EU TLAC3 is disclosed at the level of the individual entity.
17. Template EU TLAC3 exists in two versions, EU TLAC3a and EU TLAC3b. EU TLAC3a captures all funding that is *pari passu* or junior to instruments potentially eligible for MREL, including own funds and other capital instruments. Amounts that are ineligible solely as a result of subordination requirements shall be included in full in the row corresponding to the relevant insolvency rank, i.e. without applying the caps. EU TLAC3b captures only own funds and liabilities eligible to meet the requirement set out in Article 45 of Directive 2014/59/EU in accordance with Article 45e of that Directive.
18. In accordance with Article 14(2) of this Regulation, entities that are not subject to the obligation to comply with the requirement of Article 92a of Regulation (EU) No 575/2013, but are subject to the obligation to comply with the requirement set out in Article 45 of Directive 2014/59/EU in accordance with Article 45e of that Directive can choose whether they use EU TLAC3a or EU TLAC3b to comply with the disclosure requirement set out in Article 45i(3), point (b), of Directive 2014/59/EU.

19. From the date of application of Article 45i(3) of Directive 2014/59/EU, issuing entities shall disclose under template EU TLAC3a liabilities potentially eligible for meeting the MREL and TLAC requirements. Before that date, issuing entities shall disclose liabilities potentially eligible for meeting the internal TLAC requirement.
20. The outstanding amounts referred to in rows 2 to 10 have to be broken down into insolvency rank on the basis of the insolvency law of the issuing entity, irrespective of the governing law of the instrument.
21. The insolvency ranks shall be those communicated by the competent resolution authority in compliance with the standardised presentation specified in the relevant reporting template.
22. The ranks are presented from the most junior to the more senior. Columns for ranks have to be added until the most senior ranking potentially eligible instruments have been disclosed.
