

2025/1091

3.6.2025

COMMISSION IMPLEMENTING REGULATION (EU) 2025/1091

of 2 June 2025

correcting Implementing Regulation (EU) 2018/2019 as regards certain plants for planting of *Prunus* L., originating in Moldova

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2016/2031 of the European Parliament and of the Council of 26 October 2016 on protective measures against pests of plants, amending Regulations (EU) No 228/2013, (EU) No 652/2014 and (EU) No 1143/2014 of the European Parliament and of the Council and repealing Council Directives 69/464/EEC, 74/647/EEC, 93/85/EEC, 98/57/EC, 2000/29/EC, 2006/91/EC and 2007/33/EC ⁽¹⁾, and in particular Article 42(4), first subparagraph, thereof,

Whereas:

- (1) Commission Implementing Regulation (EU) 2018/2019 ⁽²⁾ establishes, on the basis of a preliminary risk assessment, a list of high-risk plants, plant products and other objects, that are provisionally prohibited from import into the Union from third countries.
- (2) Commission Implementing Regulation (EU) 2024/1437 ⁽³⁾ amended Implementing Regulation (EU) 2018/2019 by exempting up to 2-year-old bare-rooted, free of leaves, plants for planting of *Prunus armeniaca*, *Prunus avium*, *Prunus canescens*, *Prunus cerasifera*, *Prunus cerasus*, *Prunus davidiana*, *Prunus domestica*, *Prunus dulcis*, *Prunus fontanesiana*, *Prunus persica*, *Prunus salicina*, *Prunus tomentosa* and hybrids between the above species, with a maximum diameter of 17 mm at the base of the stem, originating in Moldova, from the provisional import prohibition.
- (3) However, that exemption was erroneously omitted in a subsequent amendment of Implementing Regulation (EU) 2018/2019 by Commission Implementing Regulation (EU) 2024/1457 ⁽⁴⁾, when introducing the exemption for plants for planting of certain species of *Prunus* originating in Türkiye.
- (4) It is hence necessary to address this erroneous omission through the re-introduction of the exemption for plants for planting of certain species of *Prunus* originating in Moldova into the Annex to Implementing Regulation (EU) 2018/2019.
- (5) Implementing Regulation (EU) 2018/2019 should therefore be corrected accordingly.
- (6) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee for Plants, Animals, Food and Feed,

⁽¹⁾ OJ L 317, 23.11.2016, p. 4, ELI: <http://data.europa.eu/eli/reg/2016/2031/2019-12-14>.

⁽²⁾ Commission Implementing Regulation (EU) 2018/2019 of 18 December 2018 establishing a provisional list of high risk plants, plant products or other objects, within the meaning of Article 42 of Regulation (EU) 2016/2031 and a list of plants for which phytosanitary certificates are not required for introduction into the Union, within the meaning of Article 73 of that Regulation (OJ L 323, 19.12.2018, p. 10, ELI: http://data.europa.eu/eli/reg_impl/2018/2019/oj).

⁽³⁾ Commission Implementing Regulation (EU) 2024/1437 of 24 May 2024 amending Implementing Regulation (EU) 2018/2019 as regards certain plants for planting of *Prunus* L., originating in Moldova (OJ L, 2024/1437, 27.5.2024, ELI: http://data.europa.eu/eli/reg_impl/2024/1437/oj).

⁽⁴⁾ Commission Implementing Regulation (EU) 2024/1457 of 27 May 2024 amending Implementing Regulation (EU) 2018/2019 as regards certain plants for planting of *Prunus persica*, *Prunus dulcis*, *Prunus armeniaca* and *Prunus davidiana* originating in Türkiye and Implementing Regulation (EU) 2020/1213 as regards the phytosanitary measures for the introduction of those plants for planting into the Union territory (OJ L, 2024/1457, 29.5.2024, ELI: http://data.europa.eu/eli/reg_impl/2024/1457/oj).

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Implementing Regulation (EU) 2018/2019 is corrected in accordance with the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 2 June 2025.

For the Commission
The President
Ursula VON DER LEYEN

ANNEX

In the Annex of Implementing Regulation (EU) 2018/2019, in point 1, in the table, in the second column entitled 'Description', the entry for *Prunus* L. is replaced by the following:

'*Prunus* L., other than:

- bare-rooted, dormant, free of leaves plants for planting of *Prunus domestica* grafted on *Prunus cerasifera* rootstocks originating in Ukraine;
- up to 2-year-old dormant, free of leaves, unrooted cuttings of *Prunus persica* and *Prunus dulcis* originating in Türkiye;
- up to 2-year-old bare-rooted, dormant, free of leaves plants for planting of *Prunus persica*, *Prunus dulcis*, *Prunus armeniaca* and *Prunus davidiana*, originating in Türkiye;
- plants for planting of *Prunus avium*, *Prunus canescens*, *Prunus cerasus* and *Prunus pseudocerasus* originating in the United Kingdom;
- up to 1-year-old budwood/graftwood of *Prunus spinosa* with a maximum diameter of 12 mm originating in the United Kingdom;
- up to 7-year-old non-grafted plants for planting of *Prunus spinosa* with a maximum diameter of 40 mm at the base of the stem, originating in the United Kingdom; and
- up to 2-year-old bare-rooted, free of leaves, plants for planting of *Prunus armeniaca*, *Prunus avium*, *Prunus canescens*, *Prunus cerasifera*, *Prunus cerasus*, *Prunus davidiana*, *Prunus domestica*, *Prunus dulcis*, *Prunus fontanesiana*, *Prunus persica*, *Prunus salicina*, *Prunus tomentosa* and hybrids between the above species, with a maximum diameter of 17 mm at the base of the stem, originating in Moldova.'
