COMMISSION IMPLEMENTING REGULATION (EU) 2026/1371

of 22 June 2026

correcting Implementing Regulation (EU) 2026/831 imposing a definitive anti-dumping duty on imports of certain continuous filament glass fibre products ('GFR') originating in Bahrain, Egypt and Thailand

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2016/1036 of the European Parliament and of the Council of 8 June 2016 on protection against dumped imports from countries not members of the European Union⁽¹⁾, and in particular Article 9 and Article 14(1) thereof,

Whereas:

- (1) By Commission Implementing Regulation (EU) 2026/831⁽²⁾, the Commission imposed a definitive anti-dumping duty on imports of certain continuous filament glass fibre products ('GFR') originating in Bahrain, Egypt and Thailand.
- (2) By Commission Implementing Regulation (EU) 2020/870⁽³⁾, the Commission imposed a definitive countervailing duty on imports of continuous filament glass fibre products originating in Egypt.
- (3) When Implementing Regulation (EU) 2026/831, national customs authorities observed that the product description set out in Article 1 of Implementing Regulation (EU) 2026/831 did not fully reflect the product scope as defined in the investigation and described in recital 49 of that Regulation. This was due to a drafting error in the operative part of the Regulation. The product description in Article 1 of Implementing Regulation (EU) 2026/831 should therefore be corrected to align it with the scope of the investigation, as set out in recital 49 of that Regulation.
- (4) In the light of the above, the Commission has decided to correct the product description set out in Article 1 of Implementing Regulation (EU) 2026/831.
- (5) National customs authorities also observed that the TARIC additional codes assigned in Implementing Regulation (EU) 2026/831 to imports of continuous filament glass fibre products originating in Egypt, both for the only specific exporting producer and for all other imports, do not correspond to the TARIC additional codes assigned to the same exporting producer and to all other imports of the same product in Implementing Regulation (EU) 2020/870.
- (6) In light of the above, the Commission has decided to correct the TARIC additional codes in Article 1 of Implementing Regulation (EU) 2026/831 in order to align them with those set out in Implementing Regulation (EU) 2020/870 and to ensure the proper implementation of the measures.
- (7) The corrections should take effect from the date of the entry into force of Implementing Regulation (EU) 2026/831.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Committee established by Article 15(1) of Regulation (EU) 2016/1036,

⁽¹⁾ OJ L 176, 30.6.2016, p. 21. ELI: <http://data.europa.eu/eli/reg/2016/1036/oj>.

⁽²⁾ Commission Implementing Regulation (EU) 2026/831 of 14 April 2026 imposing a definitive anti-dumping duty on imports of certain continuous filament glass fibre products ('GFR') originating in Bahrain, Egypt and Thailand (OJ L, 2026/831, 15.4.2026, ELI: http://data.europa.eu/eli/reg_impl/2026/831/oj).

⁽³⁾ Commission Implementing Regulation (EU) 2020/870 of 24 June 2020 imposing a definitive countervailing duty and definitively collecting the provisional countervailing duty imposed on imports of continuous filament glass fibre products originating in Egypt, and levying the definitive countervailing duty on the registered imports of continuous filament glass fibre products originating in Egypt (OJ L 201, 25.6.2020, p. 10, ELI: http://data.europa.eu/eli/reg_impl/2020/870/oj).
