*Article 2*

1. It shall be prohibited to sell, supply, transfer or export, directly or indirectly, dual-use goods and technology, whether or not originating in the Union, to any natural or legal person, entity or body in Russia or for use in Russia, if those items are or may be intended, in their entirety or in part, for military use or for a military end-user.

Where the end-user is the Russian military, any dual-use goods and technology procured by it shall be deemed to be for military use.

2. When deciding on requests for authorisations in accordance with Council Regulation (EC) No 428/2009, the competent authorities shall not grant an authorisation for exports to any natural or legal person, entity or body in Russia or for use in Russia, if they have reasonable grounds to believe that the end-user might be a military end-user or that the goods might have a military end-use.

**▼ M2**

The competent authorities may, however, grant an authorisation where the export concerns the execution of an obligation arising from a contract concluded before 1 August 2014, or ancillary contracts necessary for the execution of such a contract.

**▼ B**

Exporters shall supply the competent authorities with all relevant information required for their application for an export authorisation.

**▼ M1***Article 2a*

1. It shall be prohibited to sell, supply, transfer or export, directly or indirectly, dual-use goods and technology as included in Annex I to Regulation (EC) No 428/2009, whether or not originating in the Union, to natural or legal persons, entities or bodies in Russia as listed in Annex IV to this Regulation.
2. It shall be prohibited:
  - (a) to provide technical assistance, brokering services or other services related to goods and technology set out in paragraph 1 and to the provision, manufacture, maintenance and use of these goods and technology, directly or indirectly to any person, entity or body in Russia, as listed in Annex IV;
  - (b) to provide financing or financial assistance related to goods and technology referred to in paragraph 1, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of these goods and technology, or for the provision of related technical assistance, brokering services or other services, directly or indirectly to any person, entity or body in in Russia, as listed in Annex IV.

**▼ M2**

3. The prohibitions in paragraphs 1 and 2 shall be without prejudice to the execution of contracts concluded before 12 September 2014, or ancillary contracts necessary for the execution of such contracts, and to the provision of assistance necessary for the maintenance and safety of existing capabilities within the EU.

**▼ M1**

4. The prohibitions in paragraphs 1 and 2 shall not apply to the sale, supply, transfer or export of dual use goods and technology intended for the aeronautics and space industry, or the related provision of technical and financial assistance, for non military use and for a non military end user, as well as for maintenance and safety of existing civil nuclear capabilities within the EU, for non military use and for a non military end user.

**▼ B***Article 3***▼ M2**

1. A prior authorisation shall be required for the sale, supply, transfer or export, directly or indirectly, of items as listed in Annex II, whether or not originating in the Union, to any natural or legal person, entity or body in Russia, including its Exclusive Economic Zone and Continental Shelf or in any other State, if such items are for use in Russia, including its Exclusive Economic Zone and Continental Shelf.
2. For all sales, supplies, transfers or exports for which an authorisation is required under this Article, such authorisation shall be granted by the competent authorities of the Member State where the exporter is established and shall be in accordance with the detailed rules laid down in Article 11 of Regulation (EC) No 428/2009. The authorisation shall be valid throughout the Union.

**▼M2**

3. Annex II shall include certain items suited to the following categories of exploration and production projects in Russia, including its Exclusive Economic Zone and Continental Shelf:

- (a) oil exploration and production in waters deeper than 150 metres;
- (b) oil exploration and production in the offshore area north of the Arctic Circle; or
- (c) projects that have the potential to produce oil from resources located in shale formations by way of hydraulic fracturing; it does not apply to exploration and production through shale formations to locate or extract oil from non-shale reservoirs.

4. Exporters shall supply the competent authorities with all relevant information required for their application for an export authorisation.

5. The competent authorities shall not grant any authorisation for any sale, supply, transfer or export of the items included in Annex II, if they have reasonable grounds to determine that the sale, supply, transfer or export of the items are destined for any of the categories of exploration and production projects referred to in paragraph 3.

The competent authorities may, however, grant an authorisation where the sale, supply, transfer or export concerns the execution of an obligation arising from a contract concluded before 1 August 2014, or ancillary contracts necessary for the execution of such a contract.

The competent authorities may also grant an authorisation where the sale, supply, transfer or export of the items is necessary for the urgent prevention or mitigation of an event likely to have a serious and significant impact on human health and safety or the environment. In duly justified cases of emergency, the sale, supply, transfer or export may proceed without prior authorisation, provided that the exporter notifies the competent authority within five working days after the sale, supply, transfer or export has taken place, providing detail about the relevant justification for the sale, supply, transfer or export without prior authorisation.

**▼B**

6. Under the conditions set out in paragraph 5, the competent authorities may annul, suspend, modify or revoke an export authorisation which they have granted.

7. Where a competent authority refuses to grant an authorisation, or annuls, suspends, substantially limits or revokes an authorisation in accordance with paragraphs 5 or 6, the Member State concerned shall notify the other Member States and the Commission thereof and share the relevant information with them, while complying with the provisions concerning the confidentiality of such information in Council Regulation (EC) No 515/97 <sup>(1)</sup>.

<sup>(1)</sup> Council Regulation (EC) No 515/97 of 13 March 1997 on mutual assistance between the administrative authorities of the Member States and cooperation between the latter and the Commission to ensure the correct application of the law on customs and agricultural matters (OJ L 82, 22.3.1997, p. 1).

**▼ B**

8. Before a Member State grants an authorisation in accordance with paragraph 5 for a transaction which is essentially identical to a transaction which is the subject of a still valid denial issued by another Member State or by other Member States under paragraphs 6 and 7, it shall first consult the Member State or States which issued the denial. If, following such consultations, the Member State concerned decides to grant an authorisation, it shall inform the other Member States and the Commission thereof, providing all relevant information to explain the decision.

**▼ M1***Article 3a***▼ M2**

1. It shall be prohibited to provide, directly or indirectly, associated services necessary for the following categories of exploration and production projects in Russia, including its Exclusive Economic Zone and Continental Shelf:

- (a) oil exploration and production in waters deeper than 150 metres;
- (b) oil exploration and production in the offshore area north of the Arctic Circle; or
- (c) projects that have the potential to produce oil from resources located in shale formations by way of hydraulic fracturing; it does not apply to exploration and production through shale formations to locate or extract oil from non-shale reservoirs.

For the purpose of this paragraph, associated services shall mean:

- (i) drilling;
- (ii) well testing;
- (iii) logging and completion services;
- (iv) supply of specialised floating vessels.

2. The prohibitions in paragraph 1 shall be without prejudice to the execution of an obligation arising from a contract or a framework agreement concluded before 12 September 2014 or ancillary contracts necessary for the execution of such a contract.

3. The prohibitions in paragraph 1 shall not apply where the services in question are necessary for the urgent prevention or mitigation of an event likely to have a serious and significant impact on human health and safety or the environment.

The service provider shall notify the competent authority within five working days of any activity undertaken pursuant to this paragraph, providing detail about the relevant justification for the sale, supply, transfer or export.

**▼ B***Article 4*

1. It shall be prohibited:

- (a) to provide, directly or indirectly, technical assistance related to the goods and technology listed in the Common Military List<sup>(1)</sup>, or related to the provision, manufacture, maintenance and use of goods included in that list, to any natural or legal person, entity or body in Russia or for use in Russia;

**▼ M1**

- (b) to provide, directly or indirectly, financing or financial assistance related to the goods and technology listed in the Common Military List, including in particular grants, loans and export credit insurance or guarantee, as well as insurance and reinsurance for any sale, supply, transfer or export of such items, or for any provision of related technical assistance, to any natural or legal person, entity or body in Russia or for use in Russia;

**▼ B**

- (c) to provide, directly or indirectly, technical assistance or brokering services related to dual-use goods and technology, or related to the provision, manufacture, maintenance and use of such goods or technology, to any natural or legal person, entity or body in Russia or for use in Russia, if the items are or may be intended, in their entirety or in part, for military use or for a military end-user;

- (d) to provide, directly or indirectly, financing or financial assistance related to the dual-use goods and technology, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of such items, or for any provision of related technical assistance to any natural or legal person, entity or body in Russia or for use in Russia, if the items are or may be intended, in their entirety or in part, for military use or for a military end-user.

**▼ M2**

2. The prohibitions in paragraph 1 shall be without prejudice to the execution of contracts concluded before 1 August 2014, or ancillary contracts necessary for the execution of such contracts, and to the provision of assistance necessary for the maintenance and safety of existing capabilities within the EU.

**▼ M3**

2a. The prohibitions in points (a) and (b) of paragraph 1 shall not apply to the provision, directly or indirectly, of technical assistance, financing or financial assistance, related to the following operations:

- (a) the sale, supply, transfer or export and to the import, purchase or transport of Hydrazine (CAS 302-01-2) in concentrations of 70 per cent or more, provided that that technical assistance, financing or financial assistance refers to an amount of Hydrazine calculated in accordance with the launch or launches or the satellites for which it is made, and which does not exceed a total quantity of 800 kg for each individual launch or satellite;

---

<sup>(1)</sup> Latest version published in OJ C 107, 9.4.2014, p. 1.

**▼ M3**

- (b) the import, purchase or transport of Unsymmetrical dimethyl hydrazine (CAS 57-14-7);
- (c) the sale, supply, transfer or export and to the import, purchase or transport of monomethyl hydrazine (CAS60-34-4), provided that that technical assistance, financing or financial assistance refers to an amount of Monomethyl Hydrazine calculated in accordance with the launch or launches or the satellites for which it is made,

insofar as the substances mentioned in points (a), (b) and (c) of this paragraph are destined for the use of launchers operated by European launch service providers, for the use of launches of European space programmes, or for the fuelling of satellites by European satellites manufacturers.

**▼ M4**

2aa. The prohibitions in points (a) and (b) of paragraph 1 shall not apply to the provision, directly or indirectly, of technical assistance, financing or financial assistance related to the sale, supply, transfer or export and the import, purchase or transport of hydrazine (CAS 302-01-2) in concentrations of 70 % or more, provided that that technical assistance, financing or financial assistance refers to hydrazine destined for:

- (a) the tests and flight of the ExoMars descent module in the framework of the ExoMars 2020 mission, in an amount calculated in accordance with the needs of each phase of that mission, which does not exceed a total of 5 000 kg for the entire duration of the mission; or
- (b) the flight of the ExoMars carrier module in the framework of the ExoMars 2020 mission, in an amount calculated in accordance with the needs of the flight, which does not exceed a total of 300 kg.

2b. The provision, directly or indirectly, of technical assistance, financing or financial assistance, related to the operations referred to in paragraphs 2a and 2aa shall be subject to prior authorisation by the competent authorities.

Applicants for authorisation shall supply the competent authorities with all relevant information required.

The competent authorities shall inform the Commission of all the authorisations granted.

**▼ M2**

3. The provision of the following shall be subject to an authorisation from the competent authority concerned:

- (a) technical assistance or brokering services related to items listed in Annex II and to the provision, manufacture, maintenance and use of those items, directly or indirectly, to any natural or legal person, entity or body in Russia, including its Exclusive Economic Zone and Continental Shelf or, if such assistance concerns items for use in Russia, including its Exclusive Economic Zone and Continental Shelf, to any person, entity or body in any other State;

**▼ M2**

- (b) financing or financial assistance related to items referred to in Annex II, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of those items, or for any provision of related technical assistance, directly or indirectly, to any natural or legal person, entity or body in Russia, including its Exclusive Economic Zone and Continental Shelf or, if such assistance concerns items for use in Russia, including its Exclusive Economic Zone and Continental Shelf, to any person, entity or body in any other State.

In duly justified cases of emergency referred to in Article 3(5), the provision of services referred to in this paragraph may proceed without prior authorisation, on condition that the provider notifies the competent authority within five working days after the provision of services.

**▼ C1**

4. Where authorisations are requested pursuant to paragraph 3 of this Article, Article 3, and in particular paragraphs 2 and 5 thereof, shall apply *mutatis mutandis*.

**▼ M1***Article 5*

1. It shall be prohibited to directly or indirectly purchase, sell, provide investment services for or assistance in the issuance of, or otherwise deal with transferable securities and money-market instruments with a maturity exceeding 90 days, issued after 1 August 2014 to 12 September 2014, or with a maturity exceeding 30 days, issued after 12 September 2014 by:

- (a) a major credit institution, or other major institution having an explicit mandate to promote competitiveness of the Russian economy, its diversification and encouragement of investment, established in Russia with over 50 % public ownership or control as of 1 August 2014, as listed in Annex III; or
- (b) a legal person, entity or body established outside the Union whose proprietary rights are directly or indirectly owned for more than 50 % by an entity listed in Annex III; or
- (c) a legal person, entity or body acting on behalf or at the direction of an entity referred to in point (b) of this paragraph or listed in Annex III.

2. It shall be prohibited to directly or indirectly purchase, sell, provide investment services for or assistance in the issuance of, or otherwise deal with transferable securities and money-market instruments with a maturity exceeding 30 days, issued after 12 September 2014 by:

- (a) a legal person, entity or body established in Russia predominantly engaged and with major activities in the conception, production, sales or export of military equipment or services, as listed in Annex V, except legal persons, entities or bodies active in the space or the nuclear energy sectors;

**▼ M1**

- (b) a legal person, entity or body established in Russia, which are publicly controlled or with over 50 % public ownership and having estimated total assets of over 1 trillion Russian Roubles and whose estimated revenues originate for at least 50 % from the sale or transportation of crude oil or petroleum products, as listed in Annex VI;
- (c) a legal person, entity or body established outside the Union whose proprietary rights are directly or indirectly owned for more than 50 % by an entity listed in point (a) or (b) of this paragraph; or
- (d) a legal person, entity or body acting on behalf or at the direction of an entity referred to in point (a), (b) or (c) of this paragraph.

**▼ M2**

3. It shall be prohibited to directly or indirectly make or be part of any arrangement to make new loans or credit with a maturity exceeding 30 days to any legal person, entity or body referred to in paragraph 1 or 2, after 12 September 2014.

The prohibition shall not apply to:

- (a) loans or credit that have a specific and documented objective to provide financing for non-prohibited imports or exports of goods and non-financial services between the Union and any third State, including the expenditure for goods and services from another third State that is necessary for executing the export or import contracts; or
- (b) loans that have a specific and documented objective to provide emergency funding to meet solvency and liquidity criteria for legal persons established in the Union, whose proprietary rights are owned for more than 50 % by any entity referred to in Annex III.

4. The prohibition in paragraph 3 shall not apply to drawdown or disbursements made under a contract concluded before 12 September 2014 provided that the following conditions are met:

- (a) all the terms and conditions of such drawdown or disbursements:
  - (i) were agreed before 12 September 2014; and
  - (ii) have not been modified on or after that date; and
- (b) before 12 September 2014 a contractual maturity date has been fixed for the repayment in full of all funds made available and for the cancellation of all the commitments, rights and obligations under the contract.

The terms and conditions of drawdowns and disbursements referred to in point (a) include provisions concerning the length of the repayment period for each drawdown or disbursement, the interest rate applied or the interest rate calculation method, and the maximum amount.

**▼B***Article 6*

1. The Member States and the Commission shall inform each other of the measures taken under this Regulation and share any other relevant information at their disposal in connection with this Regulation, in particular information:

- (a) in respect of authorisations granted under Article 3;
- (b) in respect of violation and enforcement problems and judgments handed down by national courts.

2. The Member States shall immediately inform each other and the Commission of any other relevant information at their disposal which might affect the effective implementation of this Regulation.

*Article 7*

The Commission shall be empowered to amend Annex I on the basis of information supplied by Member States.

*Article 8*

1. Member States shall lay down the rules on penalties applicable to infringements of the provisions of this Regulation and shall take all measures necessary to ensure that they are implemented. The penalties provided for must be effective, proportionate and dissuasive.

2. Member States shall notify the rules referred to in paragraph 1 to the Commission without delay after the entry into force of this Regulation and shall notify it of any subsequent amendment.

*Article 9*

1. Member States shall designate the competent authorities referred to in this Regulation and identify them on the websites listed in Annex I. Member States shall notify the Commission of any changes in the addresses of their websites listed in Annex I.

2. Member States shall notify the Commission of their competent authorities, including the contact details of those competent authorities, without delay after the entry into force of this Regulation, and shall notify it of any subsequent amendment.

3. Where this Regulation sets out a requirement to notify, inform or otherwise communicate with the Commission, the address and other contact details to be used for such communication shall be those indicated in Annex I.

*Article 10*

Actions by natural or legal persons, entities or bodies shall not give rise to liability of any kind on their part, if they did not know, and had no reasonable cause to suspect, that their actions would infringe the measures set out in this Regulation.

**▼B***Article 11*

1. No claims in connection with any contract or transaction the performance of which has been affected, directly or indirectly, in whole or in part, by the measures imposed under this Regulation, including claims for indemnity or any other claim of this type, such as a claim for compensation or a claim under a guarantee, notably a claim for extension or payment of a bond, guarantee or indemnity, particularly a financial guarantee or financial indemnity, of whatever form, shall be satisfied, if they are made by:

**▼M1**

(a) entities referred to in points (b) and (c) of Article 5(1) and points (c) and (d) of Article 5(2), or listed in Annexes III, IV, V and VI;

**▼B**

(b) any other Russian person, entity or body;

(c) any person, entity or body acting through or on behalf of one of the persons, entities or bodies referred to in points (a) or (b) of this paragraph.

2. In any proceedings for the enforcement of a claim, the onus of proving that satisfying the claim is not prohibited by paragraph 1 shall be on the person seeking the enforcement of that claim.

3. This Article is without prejudice to the right of the persons, entities and bodies referred to in paragraph 1 to judicial review of the legality of the non-performance of contractual obligations in accordance with this Regulation.

**▼M1***Article 12*

It shall be prohibited to participate, knowingly and intentionally, in activities the object or effect of which is to circumvent the prohibitions referred to in Articles 2, 2a, 3a, 4 or 5, including by acting as a substitute for the entities referred to in Article 5, or by using the exceptions in Article 5(3) to fund entities referred to in Article 5.

**▼B***Article 13*

This Regulation shall apply:

(a) within the territory of the Union;

(b) on board any aircraft or any vessel under the jurisdiction of a Member State;

(c) to any person inside or outside the territory of the Union who is a national of a Member State;

(d) to any legal person, entity or body, inside or outside the territory of the Union, which is incorporated or constituted under the law of a Member State;

(e) to any legal person, entity or body in respect of any business done in whole or in part within the Union.

**▼B**

*Article 14*

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

| CN code    | Description  |
|------------|--|
| 7304 11 00 | Line pipe of a kind used for oil or gas pipelines, seamless, of stainless steel  |
| 7304 19 10 | Line pipe of a kind used for oil or gas pipelines, seamless, of iron or steel, of an external diameter not exceeding 168,3 mm (excl. products of stainless steel or of cast iron)  |
| 7304 19 30 | Line pipe of a kind used for oil or gas pipelines, seamless, of iron or steel, of an external diameter exceeding 168,3 mm but not exceeding 406,4 mm (excl. products of stainless steel or of cast iron)                           |
| 7304 19 90 | Line pipe of a kind used for oil or gas pipelines, seamless, of iron or steel, of an external diameter exceeding 406,4 mm (excl. products of stainless steel or of cast iron)  |
| 7304 22 00 | Drill pipe, seamless, of stainless steel, of a kind used in drilling for oil or gas  |
| 7304 23 00 | Drill pipe, seamless, of a kind used in drilling for oil or gas, of iron or steel (excl. products of stainless steel or of cast iron)  |
| 7304 29 10 | Casing and tubing of a kind used for drilling for oil or gas, seamless, of iron or steel, of an external diameter not exceeding 168,3 mm (excl. products of cast iron)   |
| 7304 29 30 | Casing and tubing of a kind used for drilling for oil or gas, seamless, of iron or steel, of an external diameter exceeding 168,3 mm, but not exceeding 406,4 mm (excl. products of cast iron)                                     |
| 7304 29 90 | Casing and tubing of a kind used for drilling for oil or gas, seamless, of iron or steel, of an external diameter exceeding 406,4 mm (excl. products of cast iron)   |
| 7305 11 00 | Line pipe of a kind used for oil or gas pipelines, having circular cross-sections and an external diameter of exceeding 406,4 mm, of iron or steel, longitudinally submerged arc welded  |
| 7305 12 00 | Line pipe of a kind used for oil or gas pipelines, having circular cross-sections and an external diameter of exceeding 406,4 mm, of iron or steel, longitudinally arc welded (excl. products longitudinally submerged arc welded) |
| 7305 19 00 | Line pipe of a kind used for oil or gas pipelines, having circular cross-sections and an external diameter of exceeding 406,4 mm, of flat-rolled products of iron or steel (excl. products longitudinally arc welded)              |
| 7305 20 00 | Casing of a kind used in drilling for oil or gas, having circular cross-sections and an external diameter of exceeding 406,4 mm, of flat-rolled products of iron or steel  |
| 7306 11    | Line pipe of a kind used for oil or gas pipelines, welded, of flat-rolled products of stainless steel, of an external diameter of not exceeding 406,4 mm   |
| 7306 19    | Line pipe of a kind used for oil or gas pipelines, welded, of flat-rolled products of iron or steel, of an external diameter of not exceeding 406,4 mm (excl. products of stainless steel or of cast iron)                         |
| 7306 21 00 | Casing and tubing of a kind used in drilling for oil or gas, welded, of flat-rolled products of stainless steel, of an external diameter of not exceeding 406,4 mm   |
