REGULATIONS

COUNCIL REGULATION (EU) 2022/1273

of 21 July 2022

amending Regulation (EU) No 269/2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision 2014/145/CFSP of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine (1),

Having regard to the joint proposal of the High Representative of the Union for Foreign Affairs and Security Policy and of the European Commission,

Whereas:

(1) Council Regulation (EU) No 269/2014 (2) gives effect to restrictive measures provided for in Decision 2014/145/CFSP.

(2) On 21 July 2022, the Council adopted Decision (CFSP) 2022/1272 (3) amending Decision 2014/145/CFSP, whereby it introduced a further derogation from the asset freeze and the prohibition to make funds and economic resources available to designated persons and entities in order to urgently prevent or mitigate an event likely to have a serious and significant impact on human health and safety or the environment.

(3) In view of the Union's determined stance to avoid and combat food insecurity around the world, and in order to avoid disruptions in the payment channels for agricultural products, Decision (CFSP) 2022/1272 also introduces a derogation from the asset freeze and the prohibition to make funds and economic resources available to designated banks.

(4) Decision (CFSP) 2022/1272 also introduces a derogation from the asset freeze and the prohibition to make funds and economic resources available for the orderly wind-down of operations, including correspondent banking relations, with one designated bank.

(1) OJ L 78, 17.3.2014, p. 16.
In order to ensure effective and uniform implementation of Regulation (EU) No 269/2014, and in view of the increasing complexity of sanction evasion schemes, which hamper such implementation, it is necessary to oblige designated persons and entities within the jurisdiction of a Member State to report these assets and to cooperate with the competent authority in the verification of this reporting. It is also appropriate to strengthen the provisions on reporting obligations for Union operators, with a view to preventing the breach and circumvention of the asset freezes. Failure to respect this obligation would constitute a circumvention of the freezing of assets and would be subject to penalties if the conditions for such penalties are met under applicable national rules and procedures.

This Regulation should be applied in compliance with the rights and principles recognised by the Charter of Fundamental Rights of the European Union, in particular the right to property, the right to an effective remedy and to a fair trial, respect for private and family life, the protection of personal data, as well as notably the lawyers’ duty of confidentiality to their clients.

These amendments fall within the scope of the Treaty and therefore regulatory action at the level of the Union is necessary in order to implement them, in particular with a view to ensuring their uniform application in all Member States.

Regulation (EU) No 269/2014 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:
