

**New national side of euro coins intended for circulation**

(2021/C 59/05)

*National side of the new commemorative 2-euro coin intended for circulation and issued by Estonia*

Euro coins intended for circulation have legal tender status throughout the euro area. For the purpose of informing the public and all parties who handle the coins, the Commission publishes a description of the designs of all new coins <sup>(1)</sup>. In accordance with the Council conclusions of 10 February 2009 <sup>(2)</sup>, euro-area Member States and countries that have concluded a monetary agreement with the European Union providing for the issuing of euro coins are allowed to issue commemorative euro coins intended for circulation, provided that certain conditions are met, particularly that only the 2-euro denomination is used. These coins have the same technical characteristics as other 2-euro coins, but their national face features a commemorative design that is highly symbolic in national or European terms.

**Issuing country:** Estonia

**Subject of commemoration:** The Estonian national animal – the wolf

**Description of the design:** The design depicts the silhouette of the wolf and a forest. Close to the edge of the inner ring the country name 'EESTI' at the left, the year of issuance '2021' at the right and the text 'CANIS LUPUS' (the wolf in Latin) at the top are depicted.

The coin's outer ring depicts the 12 stars of the European flag.

**Estimated number of coins to be issued:** 1 000 000

**Date of issue:** Autumn 2021
