**COMMISSION IMPLEMENTING DECISION (EU) 2019/1738****of 16 October 2019****authorising the Kingdom of Denmark to conclude agreements with Greenland and the Faroe Islands respectively for transfers of funds***(notified under document C(2019) 7302)***(Only the Danish text is authentic)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2015/847 of the European Parliament and of the Council of 20 May 2015 on information accompanying transfers of funds and repealing Regulation (EC) No 1781/2006 <sup>(1)</sup>, in particular Article 24 thereof,

Having regard to the Kingdom of Denmark's request pursuant to Article 24 of Regulation (EU) 2015/847,

Whereas:

- (1) Under Commission Decision 2012/43/EU <sup>(2)</sup>, Denmark was granted a derogation in respect of transfers of funds between Greenland and the Faroe Islands respectively and Denmark.
- (2) On 1 May 2019, Denmark requested the renewal of the derogation in accordance with Article 24 of Regulation (EU) 2015/847 for transfers of funds between Greenland and the Faroe Islands respectively and Denmark.
- (3) Member States were informed by written procedure of the Committee on the Prevention of Money Laundering and Terrorist Financing on 19 July 2019 that the Commission considered that it had received the information necessary for appraising Denmark's request.
- (4) Neither Greenland nor the Faroe Islands form part of the territory of the Union as determined in accordance with Article 52 of the Treaty on European Union and Article 355 of the Treaty on the Functioning of the European Union. Those territories form part of the currency area of Denmark. Greenland and the Faroe Islands therefore comply with the criterion set out in point (a) of the second subparagraph of Article 24(1) of Regulation (EU) 2015/847.
- (5) Payment services providers in Greenland and the Faroe Islands participate directly in payment and settlement systems in Denmark, in particular Kronos and Sumclearing. They therefore comply with the criterion set out in point (b) of the second subparagraph of Article 24(1) of Regulation (EU) 2015/847.
- (6) For the Union regulations to be applicable to Greenland and the Faroe Islands, Denmark should adopt specific legislation to that effect. Denmark's adoption of Law No 325 of 30.3.2019 for the Faroe Islands and Law No 326 of 30.3.2019 for Greenland ensures that those territories have incorporated into their legal order provisions corresponding to those of Regulation (EU) 2015/847.
- (7) Therefore, Greenland and the Faroe Islands have adopted the same rules as those established under Regulation (EU) 2015/847 and require their respective payment service providers to apply them, thus fulfilling the criterion set out in point (c) of the second subparagraph of Article 24(1) of that Regulation.
- (8) It is therefore appropriate to grant to Denmark the requested derogation.

<sup>(1)</sup> OJ L 141, 5.6.2015, p. 1.

<sup>(2)</sup> Commission Decision 2012/43/EU of 25 January 2012 authorising the Kingdom of Denmark to conclude an agreements with Greenland and the Faroe Islands for transfers of funds between France and each of these territories to be treated as transfers of funds within Denmark, pursuant to Regulation (EC) No 1781/2006 of the European Parliament and of the Council (OJ L 24, 27.1.2012, p. 12).

- (9) The measures provided for in this Decision are in accordance with the opinion of the Committee on the Prevention of Money Laundering and Terrorist Financing,

HAS ADOPTED THIS DECISION:

*Article 1*

The Kingdom of Denmark shall be authorised to conclude an agreement with Greenland and the Faroe Islands respectively, to the effect that transfers of funds between any of those territories and Denmark are treated as transfers of funds within Denmark for the purposes of Regulation (EU) 2015/847.

*Article 2*

Decision 2012/43/EU is repealed.

**COMMISSION IMPLEMENTING DECISION (EU) 2019/1739****of 16 October 2019****establishing emergency measures to prevent the introduction into and the spread within the Union  
of Rose Rosette Virus***(notified under document C(2019) 7328)*

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 2000/29/EC of 8 May 2000 on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community <sup>(1)</sup>, and in particular the third sentence of Article 16(3) thereof,

Whereas:

- (2) The specified organism and its vector *Phyllocoptes fructiphilus* are not known to be present in the Union territory. However, a pest risk analysis carried out by the European and Mediterranean Plant Protection Organization EPPO has demonstrated that the specified organism and its damaging effects could be of significant plant health concern to the Union, in particular for all roses' production.
- (3) In view of that evidence, and of the ongoing spread of the specified organism, susceptible plants should be subject to specific measures when introduced into the Union from the third countries where the pest is present (Canada, India and U.S.) and should be accompanied by a phytosanitary certificate.
- (4) Those specific measures should provide for the timely detection of the specified organism in the Union territory and of its vector, requirements for the introduction into the Union of the specified plants, as well as official checks at introduction of those plants into the Union.
- (5) Member States should ensure that any person having under its control plants which may be infected with the specified organism is informed about its potential presence and the measures to be taken.
- (6) Member States should carry out annual surveys for the presence of the specified organism in their territories, to ensure a more pro-active approach against the establishment and spread of that organism.
- (7) Requirements should be established for the introduction into the Union of plants, other than seeds, of *Rosa* spp. originating in Canada, India or the U.S. (specified plants) as well as official checks to be conducted at their introduction into the Union. Those measures are necessary to ensure an enhanced protection of the Union territory from the introduction and spread of the specified organism.
- (8) In order to allow to responsible official bodies and the professional operators to adapt to those requirements, this Decision should apply from 1 November 2019.
- (9) This Decision should be temporary and apply until 31 July 2022 to allow for its review before that time.
- (10) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

#### *Article 4*

##### **Surveys of the specified organism in the territories of the Member States**

1. Member States shall conduct annual surveys for the presence of the specified organism and the specified vector on specified plants in their territory. Those surveys shall be carried out by the responsible official body, or under official supervision of the responsible official body.
2. Those surveys shall include sampling and testing and shall be based on sound scientific and technical principles with regard to the possibility to detect the specified organism and the specified vector.

  - (b) they shall comply, as applicable, with paragraph 2, 3 or 4, and the wording of the respective requirement shall be indicated in the phytosanitary certificate under 'Additional Declaration'.

<sup>(1)</sup> Quotas available to a Member State pursuant to the relevant fishing opportunities Regulations after taking into account exchanges of fishing opportunities in accordance with Article 16(8) of Regulation (EU) No 1380/2013 of the European Parliament and of the Council (OJ L 354, 28.12.2013, p. 22), quota transfers from 2017 to 2018 in accordance with Article 4(2) of Council Regulation (EC) No 847/96 (OJ L 115, 9.5.1996, p. 3) and with Article 15(9) of Regulation (EU) No 1380/2013 or reallocation and deduction of fishing opportunities in accordance with Articles 37 and 105 of Regulation (EC) No 1224/2009.

<sup>(2)</sup> As set out in Article 105(2) of Regulation (EC) No 1224/2009. Deduction equal to the overfishing \* 1,00 shall apply in all cases of overfishing equal to, or less than, 100 tonnes.

<sup>(3)</sup> As set out in Article 105(3) of Regulation (EC) No 1224/2009 and provided that the extent of overfishing exceeds 10 %.

<sup>(4)</sup> Letter 'A' indicates that an additional multiplying factor of 1,5 has been applied due to consecutive overfishing in the years 2016, 2017 and 2018. Letter 'C' indicates that an additional multiplying factor of 1,5 has been applied as the stock is subject to a multiannual plan.

<sup>(5)</sup> Remaining quantities from previous year(s).

<sup>(6)</sup> To be deducted from RIU/7DE. (Union waters of 7d and 7e).

<sup>(7)</sup> Quantities below 1 tonne are not considered.

<sup>(8)</sup> Additional multiplying factor not applicable because the overfishing does not exceed 10 % of the permitted landings.

<sup>(9)</sup> The deduction cannot be reduced by this unused quantity as Article 4 of Regulation (EC) No 847/96 is not applicable to the YFT/IOTC stock.
