REGULATIONS

COUNCIL IMPLEMENTING REGULATION (EU) 2020/1480
of 14 October 2020
implementing Regulation (EU) 2018/1542 concerning restrictive measures against the proliferation and use of chemical weapons

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2018/1542 of 15 October 2018 concerning restrictive measures against the proliferation and use of chemical weapons (1), and in particular Article 12 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(2) On 20 August 2020, Alexei Navalny, a prominent opposition leader in Russia, was admitted to a hospital in Omsk, Russian Federation, due to his serious health condition.

(3) On 22 August 2020, Alexei Navalny was transported to Berlin, Germany, where he was thoroughly examined.

(4) On 2 September 2020, the Government of the Federal Republic of Germany announced that a specialised laboratory of the Federal Armed Forces had found evidence that Alexei Navalny had been subject to poisoning with a toxic nerve agent of the Novichok group. That finding was subsequently corroborated by laboratories in France and Sweden, as announced on 14 September 2020.

(5) The European Council, in its conclusions of 1 and 2 October 2020, condemned the assassination attempt on Alexei Navalny. The use of chemical weapons constitutes a serious breach of international law. The European Council called upon the Russian Federation’s authorities to fully cooperate with the Organisation for the Prohibition of Chemical Weapons to ensure an impartial international investigation and to bring those responsible to justice.

(6) In that context, and in view of the continued threat posed by the proliferation and use of chemical weapons, six persons and one entity should be included in the list of natural and legal persons, entities and bodies subject to restrictive measures set out in Annex I to Regulation (EU) 2018/1542.

(7) Annex I to Regulation (EU) 2018/1542 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EU) 2018/1542 is amended as set out in the Annex to this Regulation.

Article 2
This Regulation shall enter into force on the date of its publication in the Official Journal of the European Union.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 October 2020.

For the Council
The President
M. ROTH
The following persons and entity are added to the list set out in Annex I to Regulation (EU) 2018/1542:

A. **NATURAL PERSONS**

On 20 August 2020, Alexei Navalny was taken seriously ill and admitted to a hospital in Omsk, Russian Federation. On 22 August 2020, he was transported to a hospital in Berlin, Germany. A specialised laboratory in Germany subsequently found clear evidence, also corroborated by laboratories in France and Sweden, that Alexei Navalny had been poisoned with a toxic nerve agent of the Novichok group. This toxic agent is accessible only to State authorities in the Russian Federation.

The deployment of a toxic nerve agent of the Novichok group would therefore only be possible due to the failure of the Institute to carry out its responsibility to destroy the stockpiles of chemical weapons.
COUNCIL IMPLEMENTING REGULATION (EU) 2020/1481
of 14 October 2020
implementing Article 21(2) of Regulation (EU) 2016/44 concerning restrictive measures in view of the situation in Libya

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2016/44 of 18 January 2016 concerning restrictive measures in view of the situation in Libya and repealing Regulation (EU) No 204/2011 (1), and in particular Article 21(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) On 18 January 2016, the Council adopted Regulation (EU) 2016/44.

(2) On 12 May 2020, the High Representative of the Union for Foreign Affairs and Security Policy issued a declaration, on behalf of the Union, which stated that the Union remains determined to see the UN arms embargo in Libya fully respected. It was also underlined that all efforts must be made to ensure the full and effective implementation of the relevant UN Security Council resolutions, also through the land and air borders with Libya.

(3) On 21 September 2020, the Council adopted Implementing Regulation (EU) 2020/1309 (2), which designated three entities involved in violating the UN arms embargo.

(4) The Council remains gravely concerned about the situation in Libya and in particular about acts that threaten the peace, security or stability of Libya, including violations of the UN arms embargo.

(5) In that context, one person involved in such acts should be added to the list of natural and legal persons, entities or bodies subject to restrictive measures as set out in Annex III to Regulation (EU) 2016/44.

(6) Annex III to Regulation (EU) 2016/44 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Annex III to Regulation (EU) 2016/44 is amended in accordance with the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the date of its publication in the Official Journal of the European Union

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 October 2020.

For the Council
The President
M. ROTH

In Annex III to Regulation (EU) 2016/44, under the heading ‘A. Persons’, the following entry is added:

<td>Yevgeniy Viktorovich PRIGOZHIN</td>
<td>Date of birth: 1 June 1961</td>
<td>Yevgeniy Viktorovich Prigozhin is a Russian businessman with close links, including financially, to the private military company Wagner Group. In this way, Prigozhin is engaged in and providing support for Wagner Group’s activities in Libya, which threaten the country’s peace, stability and security. In particular, Wagner Group is involved in multiple and repeated breaches of the arms embargo in Libya established in UNSCR 1970 (2011) and transposed in article 1 of Decision (CFSP) 2015/1333, including delivery of arms as well as deployment of mercenaries into Libya in support of the Libya National Army. Wagner Group has participated in multiple military operations against the UN-endorsed Government of National Accord and has contributed to damaging the stability of Libya and undermining a peaceful process.</td>

COUNCIL DECISION (CFSP) 2020/1482
of 14 October 2020
amending Decision (CFSP) 2018/1544 concerning restrictive measures against the proliferation and use of chemical weapons

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) On 15 October 2018, the Council adopted Decision (CFSP) 2018/1544 (1), concerning restrictive measures against the proliferation and use of chemical weapons.

(2) On 20 August 2020, Alexei Navalny, a prominent opposition leader in Russia, was admitted to a hospital in Omsk, Russian Federation, due to his serious health condition.

(3) On 22 August 2020, Alexei Navalny was transported to Berlin, Germany, where he was thoroughly examined.

(4) On 2 September 2020, the Government of the Federal Republic of Germany announced that a specialised laboratory of the Federal Armed Forces had found evidence that Alexei Navalny had been subject to poisoning with a toxic nerve agent of the Novichok group. That finding was subsequently corroborated by laboratories in France and Sweden, as announced on 14 September 2020.

(5) The European Council, in its conclusions of 1 and 2 October 2020, condemned the assassination attempt on Alexei Navalny. The use of chemical weapons constitutes a serious breach of international law. The European Council called upon the Russian Federation’s authorities to fully cooperate with the Organisation for the Prohibition of Chemical Weapons to ensure an impartial international investigation and to bring those responsible to justice.

(6) In that context, and in view of the continued threat posed by the proliferation and use of chemical weapons, six persons and one entity should be included in the list of natural and legal persons, entities and bodies subject to restrictive measures set out in the Annex to Decision (CFSP) 2018/1544.

(7) The Annex to Decision (CFSP) 2018/1544 should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision (CFSP) 2018/1544 is amended as set out in the Annex to this Decision.

Article 2

This Decision shall enter into force on the date of its publication in the Official Journal of the European Union.

Done at Brussels, 14 October 2020.

EN Official Journal of the European Union 15.10.2020 L 341/15
COUNCIL IMPLEMENTING DECISION (CFSP) 2020/1483
of 14 October 2020

implementing Decision (CFSP) 2015/1333 concerning restrictive measures in view of the situation in Libya

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 31(2) thereof,

Having regard to Council Decision (CFSP) 2015/1333 of 31 July 2015 concerning restrictive measures in view of the situation in Libya, and repealing Decision 2011/137/CFSP (1), and in particular Article 12(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) On 31 July 2015, the Council adopted Decision (CFSP) 2015/1333.

(2) On 12 May 2020, the High Representative of the Union for Foreign Affairs and Security Policy issued a declaration, on behalf of the Union, which stated that the Union remains determined to see the UN arms embargo in Libya fully respected. It was also underlined that all efforts must be made to ensure the full and effective implementation of the relevant UN Security Council resolutions, also through the land and air borders with Libya.

(3) On 21 September 2020, the Council adopted Implementing Decision (CFSP) 2020/1310 (2), which designated three entities involved in violating the UN arms embargo.

(4) The Council remains gravely concerned about the situation in Libya and in particular about acts that threaten the peace, security or stability of Libya, including violations of the UN arms embargo.

(5) In that context, one person involved in such acts should be added to the list of persons and entities subject to restrictive measures as set out in Annexes II and IV to Decision (CFSP) 2015/1333.

(6) Annexes II and IV to Decision (CFSP) 2015/1333 should therefore be amended accordingly.

HAS ADOPTED THIS DECISION:

Article 1

Annexes II and IV to Decision (CFSP) 2015/1333 are amended in accordance with the Annex to this Decision.

Article 2

This Decision shall enter into force on the date of its publication in the Official Journal of the European Union.

Done at Brussels, 14 October 2020.

For the Council
The President
M. ROTH

(1) In Annex II to Decision (CFSP) 2015/1333, under the heading ‘A. Persons’, the following entry is added:

<table>
<thead>
<tr>
<th>Name</th>
<th>Identifying information</th>
<th>Reasons</th>
<th>Date of listing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Yevgeniy Viktorovich PRIGOZHIN (Евгений Викторович Пригожин)</td>
<td>Date of birth: 1 June 1961&lt;br&gt;Place of birth: Leningrad (St. Petersburg)&lt;br&gt;Nationality: Russian&lt;br&gt;Gender: male</td>
<td>Yevgeniy Viktorovich Prigozhin is a Russian businessman with close links, including financially, to the private military company Wagner Group. In this way, Prigozhin is engaged in and providing support for Wagner Group’s activities in Libya, which threaten the country’s peace, stability and security. In particular, Wagner Group is involved in multiple and repeated breaches of the arms embargo in Libya established in UNSCR 1970 (2011) and transposed in article 1 of Decision (CFSP) 2015/1333, including delivery of arms as well as deployment of mercenaries into Libya in support of the Libya National Army. Wagner Group has participated in multiple military operations against the UN-endorsed Government of National Accord and has contributed to damaging the stability of Libya and undermining a peaceful process.</td>
