PROCEDURES RELATING TO THE IMPLEMENTATION OF COMPETITION POLICY

EUROPEAN COMMISSION

Prior notification of a concentration
(Case M.9347 — OEP/WP Group)
Candidate case for simplified procedure
(Text with EEA relevance)
(2019/C 124/07)

1. On 27 March 2019, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 (1).

This notification concerns the following undertakings:
— OEP Capital Advisors, L.P. (‘OEP’, the United States of America),
— Powertrain Services UK Ltd and its subsidiaries and certain affiliates carrying on the Walterscheid Powertrain business (the ‘WP Group’, the UK).

OEP acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control over the whole of the WP Group. The concentration is accomplished by way of a purchase of shares.

2. The business activities of the undertakings concerned are:
— OEP is a middle-market private equity firm focused on transformative combinations within the industrial, healthcare and technology sectors in North America and Europe,
— The WP Group is a global supplier of off-highway powertrain products and services to the OEM/OES market as well as the international aftermarket.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 (2) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.9347 — OEP/WP Group
