We are

The General Secretariat of the Council (GSC) assists the European Council and the Council of the EU and their preparatory bodies in all fields of their activities. It provides advice and support to members of the European Council and the Council and to their Presidents in all areas of activity, including policy and legal advice, coordination with other institutions, elaboration of compromises, supervising as well as attending to all the practicalities that are necessary for the good preparation and running of the European Council and the Council.

Directorate-General ‘Justice and Home Affairs’ (DG JAI) currently consists of two Directorates: ‘Home Affairs’ (JAI.1) and ‘Justice’ (JAI.2). Two units, ‘Fundamental rights and values, Rule of law and Data protection’ and ‘Evaluations in Justice and Home Affairs and Drugs policy’, also report to the Director-General.

Directorate JAI.2 leads responsibility for Justice, covering criminal justice files, cooperation in civil justice, e-justice as well as a number of cyber-policy matters. It coordinates the organisation of the meetings of the Justice and Home Affairs Council, which usually meets at least four times per year. The Council is prepared by Coreper and several working groups, special committees and other fora which handle both legislative and non-legislative files, as well as international relations concerning these files.

Directorate JAI.2 currently has a single level of management at Director level, with a Deputy Director responsible for specific files attributed by the Director.

We propose

The post of Director of JAI.2 is a challenging position in a politically interesting and fast moving environment, leading a team of over twenty staff and dealing with both the operational and strategic aspects of the justice files handled by them.

Under the authority of the Director-General, you will manage your Directorate and its resources in a professional manner, organise its activities and support and motivate staff in their work. You will ensure the quality of the services and products delivered by the Directorate, as well as effective communication and cooperation both within the Directorate and across the Directorate-General, as well as with other GSC services.
You will provide high-level policy and procedural advice, orally and in writing, at your own initiative or upon request, to the European Council, the Council, Coreper and their Presidencies, and to the Secretary-General on all aspects of dossiers falling within the Directorate’s remit. You will also take part in meetings and, where appropriate, in briefings and/or negotiations with a view to reaching compromises and finding solutions. In this context, you will assist the rotating Presidency in negotiations and ensure effective communication and cooperation with EU institutions, agencies and other bodies in the areas within the Directorate’s remit.

You will define the objectives to be met and contribute to meeting them by establishing the Directorate’s work programme and ensuring the appropriate monitoring of its implementation.

You will also be responsible for initiating and supervising policy analysis activities with a view to providing advice for decision-making in the areas within the Directorate’s remit.

You will be able to plan and organise work in a flexible manner, subject to working hours and to the schedule of meetings in the Directorate’s field of activity. You and your staff will be able to benefit from the GSC’s working arrangements, including teleworking. Occasional missions abroad (approximately ten times per year) are required, usually within the EU (e.g. to Luxembourg, Strasbourg and the Presidency Member State).

We look for

We are looking for a manager with experience in EU policymaking and the EU legislative process and an extensive knowledge of EU institutional issues. A degree in law would be considered an asset, while experience working in the judicial area and/or knowledge of EU legal matters are required. Knowledge of the areas covered by the Directorate and a good understanding of the specificities of justice and home affairs is an asset.

All GSC managers are expected to advise their hierarchy and stakeholders, manage their staff and financial resources and to represent the GSC. These expectations are set out in the GSC horizontal manager’s profile, in Annex I.

Furthermore, the jobholder will need to possess:

— the ability to think and plan strategically, to anticipate and identify potential problems and propose workable solutions and compromises,

— leadership skills and the ability to give guidance, motivate and empower staff in a multicultural and diverse environment, with a strong emphasis on staff development,

— excellent communication skills, including strong interpersonal communication skills; the ability to promote a strong team spirit and to maintain good working relationships with a range of internal and external interlocutors and the ability to demonstrate diplomacy,

— the ability to manage change and support staff through change,

— a strong ability to plan and organise the overall work of the Directorate so as to meet critical deadlines and ensure a fair distribution of workload within the team and succession planning,

— the ability to reach common agreements or goals by providing targeted advice to stakeholders and by effectively and constructively facilitating discussions towards optimal outcomes.

Given that the GSC has a policy of mobility for its managers, who should have a broad experience, candidates should therefore be willing and able to work in different areas of activity during their career at the GSC.

RECRUITMENT POLICY

Applicants must meet the following requirements at the time of applying:

(a) **General conditions**

— be nationals of one of the Member States of the European Union,

— enjoy their full rights as citizens,

— have fulfilled any obligations imposed by the laws concerning military service.
(b) **Specific conditions**

— hold a university degree (1), a degree in law would be an asset,

— have at least 15 years of relevant professional experience out of which they have during at least three years effectively exercised management and organisational responsibilities. Three years spent in a post with significant coordination responsibilities would be equivalent to the required management experience,

— have experience working in the judicial area and/or knowledge of EU legal matters,

— given that English and French are used extensively for communication within the GSC and with other institutions, an excellent knowledge of one of the two languages and a good knowledge of the other one is required. Knowledge of other official languages of the EU is an asset.

**NB:**

(1) This post requires security clearance allowing access to classified documents (EU SECRET level). Candidates applying for the post must be prepared to undergo security screening under Council Decision 2013/488/EU (2). Appointment to the post will only take effect on condition that the selected candidate has obtained a valid security clearance certificate. A candidate without security clearance will be offered a temporary contract until the result of the security clearance procedure is obtained.

(2) The successful candidate must be prepared to follow the GSC management training.

**SELECTION PROCEDURE**

In choosing the successful candidate the Appointing Authority shall be assisted by an advisory selection board. The advisory selection board will be supported by an assessment centre, run by external recruitment consultants. The reports established by the assessment centre for the same type of post will cease to be valid two years after the date on which the relevant exercises took place or upon termination of the framework contract between the GSC and the assessment centre in question – whichever date is the earliest.

The advisory selection board will initially evaluate and compare the qualifications, experience and motivation of all the applicants, on the basis of their applications. Based on that comparative assessment, the advisory selection board will shortlist the most suitable candidates, in its opinion, to be invited to the first interview. As this first selection is based on a comparative assessment of the applications, the fulfilment of the requirements of this vacancy does not guarantee invitation to the first interview. Among the interviewed candidates, the advisory selection board will pre-select candidates to attend the assessment centre, as well as a second interview with the advisory selection board.

The provisional planning of the selection is as follows:

— it is expected that candidates selected for the interviews will be informed by mid-March 2020,

— the first interviews are foreseen for the second half of March 2020,

— the assessment centre is expected to take place by the end of March/beginning of April 2020,

— the second round of interviews is foreseen for the second half of April 2020.

**LEGAL BASIS**

This post is published in accordance with Article 29(2) of the Staff Regulations of Officials of the European Union (3) (senior management post).

(1) Article 5(3)(c) of the Staff Regulations of Officials of the European Union (the Staff Regulations) require applicants to have at least:
  (i) a level of education which corresponds to completed university studies attested by a diploma when the normal period of university education is four years or more; or
  (ii) a level of education which corresponds to completed university studies attested by a diploma and appropriate professional experience of at least one year when the normal period of university education is at least three years.

The General Secretariat of the Council (GSC) assists the European Council and the Council of the EU and their preparatory bodies in all fields of their activities. It provides advice and support to members of the European Council and the Council and to their Presidents in all areas of activity, including policy and legal advice, coordination with other institutions, elaboration of compromises, supervising as well as attending to all the practicalities that are necessary for the good preparation and running of the European Council and the Council.

Directorate-General ‘Organisational Development and Services’ (DG ORG), is responsible for the organisational development of the GSC and the provision of key support services. The Directorate-General currently consists of five Directorates (Human Resources, Protocol and Meetings, Buildings and Logistics, Finance, and Safety and Security).

The Directorate ‘Safety and Security’ (ORG.5) is mandated by the Secretary-General to ensure the safety and security of the GSC. To that end it ensures that security and safety measures are in place to address any threats to GSC assets (people, information, buildings, infrastructure and reputation). It advises the Secretary-General, as well as the European Council and the Council, on reinforcing the security culture of the GSC.

The Directorate is currently made up of four Units dealing respectively with Security Strategy and Business Continuity, Operational Security, Information Security, and Safety.

**We propose**

The post of Director in Directorate ORG.5 is a challenging position in a politically interesting and fast-moving environment. You will lead a team of approximately 180 staff members from all function groups who are supported by a substantial number of external contractors. You will be responsible for the operational, strategic and financial aspects of planning and implementing all safety and security activities. You will ensure that the GSC is prepared for times of crisis and has business continuity plans in place.

Under the authority of the Director-General, you will manage your Directorate and its resources in a professional manner, organise its activities and support and motivate staff in their work. You will ensure the quality of service delivered by the Directorate and that your team keeps pace with changes in threat and applies principles of continuous improvement. You will ensure effective communication and cooperation both within the Directorate and with other GSC services.
You will reinforce the security culture in the European Council and the Council at all levels. You will chair the Council Security Committee, which ensures proper protection of EU classified information, and you will provide advice on security matters as necessary to other Council bodies. You will work with the GSC department responsible for digital services to ensure appropriate protection of all GSC information.

You will be responsible for engaging with external bodies on matters of safety and security. In this context, you will be required in particular to represent the European Council and the Council in discussions and negotiations with other EU institutions, the host country authorities and those of other EU Member States in areas within the Directorate’s remit.

You will define the objectives to be met and contribute to meeting them by establishing the Directorate’s work programme and ensuring the appropriate monitoring of its implementation.

You will be able to plan and organise work in a flexible manner, subject to working hours in the Directorate’s field of activity and the schedule of European Council and Council meetings. You and your staff will be able to benefit from the GSC’s flexible working arrangements, including teleworking. Occasional missions abroad are required (around eight per year), usually within the EU.

We look for

We are looking for a manager with the ability to lead and motivate a large team who has knowledge of security and experience of working in a security environment and knowledge of the role and the functioning of the European Council and Council. Knowledge and experience of managing physical security, business continuity and/or information security activities would be an advantage. Experience in safety in the workplace is not essential, but the post-holder must be ready to take a leading role in championing high standards in this area across the GSC. Experience in budget, procurement and contracts would be an advantage.

All GSC managers are expected to advise their hierarchy and stakeholders, manage their staff and financial resources and to represent the GSC. These expectations are set out in the GSC horizontal manager’s profile, in Annex I.

Furthermore, the jobholder will need to possess:

— the ability to think and plan strategically, to anticipate and identify potential problems and propose workable solutions and compromises,

— leadership skills and the ability to give guidance, motivate and empower staff in a multicultural and diverse environment, with a strong emphasis on staff development,

— excellent communication skills, including interpersonal communication skills; the ability to promote a strong team spirit and to maintain good working relationships with a range of internal and external interlocutors and the ability to demonstrate diplomacy,

— the ability to manage change and support staff through change,

— a strong ability to plan and organise the overall work of the Directorate so as to meet critical deadlines and ensure a fair distribution of workload within the team and succession planning,

— the ability to reach common agreements or goals by providing targeted advice to stakeholders and by effectively and constructively facilitating discussions towards win-win outcomes.

Given that the GSC has a policy of mobility for its managers, who should have a broad experience, candidates should therefore be willing and able to work in different areas of activity during their career at the GSC.

RECRUITMENT POLICY

Applicants must meet the following requirements at the time of applying:

(a) General conditions

— be nationals of one of the Member States of the European Union,

— enjoy their full rights as citizens,

— have fulfilled any obligations imposed by the laws concerning military service.
(b) **Specific conditions**

— hold a university degree (1),

— have at least 15 years of relevant professional experience out of which they have during at least three years effectively exercised management and organisational responsibilities. Three years spent in a post with significant coordination responsibilities would be equivalent to the required management experience,

— given that English and French are used extensively for communication within the GSC and with other institutions, an excellent knowledge of one of the two languages and a good knowledge of the other one is required. Knowledge of other official languages of the EU is an asset.

NB:

1. This post requires security clearance allowing access to classified documents (EU TOP SECRET level). Candidates applying for the post must be prepared to undergo security screening under Council Decision 2013/488/EU (2). Appointment to the post will only take effect on condition that the selected candidate has obtained a valid security clearance certificate. A candidate without security clearance will be offered a temporary contract until the result of the security clearance procedure is obtained.

2. The successful candidate must be prepared to follow the GSC management training.

**REMARK**

Given that this post has been designated as sensitive, the staff member occupying it may, after a period of five years in the post, be obliged to change post.

**SELECTION PROCEDURE**

In choosing the successful candidate the Appointing Authority shall be assisted by an advisory selection board. The advisory selection board will be supported by an assessment centre, run by external recruitment consultants. The reports established by the assessment centre for the same type of post will cease to be valid two years after the date on which the relevant exercises took place or upon termination of the framework contract between the GSC and the assessment centre in question – whichever date is the earliest.

The advisory selection board will initially evaluate and compare the qualifications, experience and motivation of all the applicants, on the basis of their applications. Based on that comparative assessment, the advisory selection board will shortlist the most suitable candidates, in its opinion, to be invited to the first interview. As this first selection is based on a comparative assessment of the applications, the fulfilment of the requirements of this vacancy does not guarantee invitation to the first interview. Among the interviewed candidates, the advisory selection board will pre-select candidates to attend the assessment centre, as well as a second interview with the advisory selection board.

The provisional planning of the selection is as follows:

— it is expected that candidates selected for the interviews will be informed by mid-March 2020,

— the first interviews are foreseen for the second half of March 2020,

— the assessment centre is expected to take place by the end of March/beginning of April 2020,

— the second round of interviews is foreseen for the second half of April 2020.

**LEGAL BASIS**

This post is published in accordance with Article 29(2) of the Staff Regulations of Officials of the European Union (3) (senior management post).

---

Footnotes:

1. Article 5(3)(c) of the Staff Regulations of Officials of the European Union (the Staff Regulations) require applicants to have at least:
   
   (i) a level of education which corresponds to completed university studies attested by a diploma when the normal period of university education is four years or more; or
   
   (ii) a level of education which corresponds to completed university studies attested by a diploma and appropriate professional experience of at least one year when the normal period of university education is at least three years.

This post has been published to all institutions of the European Union and outside the institutions.
