of 18 September 2000
amending Directive 2000/12/EC relating to the taking up and pursuit of the business of credit institutions

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE
EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular the first and third sentences of Article 47(2) thereof,

Having regard to the proposal from the Commission (1),

Having regard to the opinion of the Economic and Social Committee (2),

Having regard to the opinion of the European Central Bank (3),

Acting in accordance with the procedure laid down in Article 251 of the Treaty (4),

Whereas:

(1) In accordance with the objectives of the Treaty, it is desirable to promote harmonious development of the activities of credit institutions throughout the Community, in particular as regards the issuance of electronic money.

(2) Certain institutions limit their activity primarily to the issuance of electronic money. To avoid any distortion of competition between electronic money issuers, even as regards application of monetary policy measures, it is advisable that these institutions, subject to suitable specific provisions taking into account their special characteristics, be brought within the scope of Directive 2000/12/EC (5).

(3) It is advisable, consequently, to extend to these institutions the definition of credit institutions provided for in Article 1 of Directive 2000/12/EC.

(5) It is necessary for electronic money to be redeemable to ensure bearer confidence.
