**COUNCIL REGULATION (EU) No 359/2011****of 12 April 2011****concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Iran***Article 1*

For the purposes of this Regulation, the following definitions shall apply:

- (a) ‘funds’ means financial assets and benefits of every kind, including but not limited to:
 - (i) cash, cheques, claims on money, drafts, money orders and other payment instruments;
 - (ii) deposits with financial institutions or other entities, balances on accounts, debts and debt obligations;
 - (iii) publicly- and privately-traded securities and debt instruments, including stocks and shares, certificates representing securities, bonds, notes, warrants, debentures and derivatives contracts;
 - (iv) interest, dividends or other income on or value accruing from or generated by assets;
 - (v) credit, right of set-off, guarantees, performance bonds or other financial commitments;
 - (vi) letters of credit, bills of lading, bills of sale;
 - (vii) documents evidencing an interest in funds or financial resources;
- (b) ‘freezing of funds’ means preventing any move, transfer, alteration, use of, access to, or dealing with funds in any way that would result in any change in their volume, amount, location, ownership, possession, character, destination or other change that would enable the funds to be used, including portfolio management;
- (c) ‘economic resources’ means assets of every kind, whether tangible or intangible, movable or immovable, which are not funds but may be used to obtain funds, goods or services;
- (d) ‘freezing of economic resources’ means preventing their use to obtain funds, goods or services in any way, including, but not limited to, by selling, hiring or mortgaging them;
- (e) ‘territory of the Union’ means the territories of the Member States to which the Treaty is applicable, under the conditions laid down in the Treaty, including their airspace.

▼ M2*Article 1a*

► **M3** 1. ◀ It shall be prohibited:

- (a) to sell, supply, transfer or export, directly or indirectly, equipment which might be used for internal repression as listed in Annex III, whether or not originating in the Union, to any person, entity or body in Iran or for use in Iran;
- (b) to provide, directly or indirectly, technical assistance or brokering services related to equipment which might be used for internal repression as listed in Annex III, to any person, entity or body in Iran or for use in Iran;
- (c) to provide, directly or indirectly, financing or financial assistance related to equipment which might be used for internal repression as listed in Annex III, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of such items, or for any provision of related technical assistance to any person, entity or body in Iran or for use in Iran;
- (d) to participate, knowingly and intentionally, in activities the object or effect of which is to circumvent the prohibitions referred to in points (a), (b) and (c).

▼ M3

2. By way of derogation from paragraph 1, the competent authorities of the Member States, as listed in Annex II, may authorise, under such conditions as they deem appropriate, the sale, supply, transfer or export of equipment which might be used for internal repression as listed in Annex III provided that it is intended solely for the protective use of the personnel of the Union and its Member States in Iran, or the provision of technical assistance or brokering services or of financing or financial assistance referred to in paragraph 1(b) and (c) related to such equipment.

▼ M2*Article 1b*

1. It shall be prohibited to sell, supply, transfer or export, directly or indirectly, equipment, technology or software identified in Annex IV, whether or not originating in the Union, to any person, entity or body in Iran or for use in Iran, unless the competent authority of the relevant Member State, as identified in the websites referred to in Annex II, has given prior authorisation.

2. The competent authorities of the Member States, as identified in the websites referred to in Annex II, shall not grant any authorisation under paragraph 1 if they have reasonable grounds to determine that the equipment, technology or software in question would be used for monitoring or interception, by Iran's government, public bodies, corporations and agencies or any person or entity acting on their behalf or at their direction, of internet or telephone communications in Iran.

▼M2

3. Annex IV shall include equipment, technology or software which may be used for the monitoring or interception of internet or telephone communications.
4. The Member State concerned shall inform the other Member States and the Commission of any authorisation granted under this Article, within four weeks following the authorisation.

Article 1c

1. It shall be prohibited:
 - (a) to provide, directly or indirectly, technical assistance or brokering services related to the equipment, technology and software identified in Annex IV, or related to the provision, manufacture, maintenance and use of the equipment and technology identified in Annex IV or to the provision, installation, operation or updating of any software identified in Annex IV, to any person, entity or body in Iran or for use in Iran;
 - (b) to provide, directly or indirectly, financing or financial assistance related to the equipment, technology and software identified in Annex IV, to any person, entity or body in Iran or for use in Iran;
 - (c) to provide any telecommunication or internet monitoring or interception services of any kind to, or for the direct or indirect benefit of, Iran's government, public bodies, corporations and agencies or any person or entity acting on their behalf or at their direction; and
 - (d) to participate, knowingly and intentionally, in any activity the object or effect of which is to circumvent the prohibitions referred to in point (a), (b) or (c) above;

unless the competent authority of the relevant Member State, as identified in the websites referred to in Annex II, has given prior authorisation, on the basis set out in Article 1b(2).

2. For the purposes of paragraph 1(c), 'telecommunication or internet monitoring or interception services' means those services that provide, in particular using equipment, technology or software as identified in Annex IV, access to and delivery of a subject's incoming and outgoing telecommunications and call-associated data for the purpose of its extraction, decoding, recording, processing, analysis and storing or any other related activity.

▼B*Article 2*

1. All funds and economic resources belonging to, owned, held or controlled by the natural or legal persons, entities and bodies listed in Annex I shall be frozen.
2. No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of the natural or legal persons, entities or bodies listed in Annex I.

▼B

3. The participation, knowingly and intentionally, in activities the object or effect of which is, directly or indirectly, to circumvent the measures referred to in paragraphs 1 and 2 shall be prohibited.

Article 3

1. Annex I shall consist of a list of persons who, in accordance with Article 2(1) of Decision 2011/235/CFSP, have been identified by the Council as being persons responsible for serious human rights violations in Iran, and persons, entities or bodies associated with them.

2. Annex I shall include the grounds for the listing of listed persons, entities and bodies concerned.

3. Annex I shall also include, where available, information necessary to identify the natural or legal persons, entities and bodies concerned. With regard to natural persons, such information may include names including aliases, date and place of birth, nationality, passport and identity card numbers, gender, address, if known, and function or profession. With regard to legal persons, entities and bodies, such information may include names, place and date of registration, registration number and place of business.

Article 4

1. By way of derogation from Article 2, the competent authorities in the Member States, as listed in Annex II, may authorise the release of certain frozen funds or economic resources, or the making available of certain funds or economic resources, under such conditions as they deem appropriate, after having determined that the funds or economic resources are:

- (a) necessary to satisfy the basic needs of persons listed in Annex I and their dependent family members, including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;
- (b) intended exclusively for the payment of reasonable professional fees and the reimbursement of incurred expenses associated with the provision of legal services;
- (c) intended exclusively for the payment of fees or service charges for routine holding or maintenance of frozen funds or economic resources; or
- (d) necessary for extraordinary expenses, provided that the Member State concerned has notified all other Member States and the Commission of the grounds on which it considers that a specific authorisation should be granted, at least 2 weeks prior to the authorisation.

2. The Member State concerned shall inform the other Member States and the Commission of any authorisation granted under paragraph 1.

▼B*Article 5*

1. By way of derogation from Article 2, the competent authorities in the Member States, as listed in Annex II, may authorise the release of certain frozen funds or economic resources, provided that the following conditions are met:

- (a) the funds or economic resources in question are the subject of a judicial, administrative or arbitral lien established prior to the date on which the person, entity or body referred to in Article 2 was listed in Annex I, or of a judicial, administrative or arbitral judgment rendered prior to that date;
- (b) the funds or economic resources in question will be used exclusively to satisfy claims secured by such a lien or recognised as valid in such a judgment, within the limits set by applicable laws and regulations governing the rights of persons having such claims;
- (c) the lien or judgment is not for the benefit of a person, entity or body listed in Annex I; and
- (d) recognising the lien or judgment is not contrary to public policy in the Member State concerned.

2. The Member State concerned shall inform the other Member States and the Commission of any authorisation granted under paragraph 1.

Article 6

1. Article 2(2) shall not apply to the addition to frozen accounts of:

- (a) interest or other earnings on those accounts; or
- (b) payments due under contracts, agreements or obligations that were concluded or arose before the date on which the natural or legal person, entity or body referred to in Article 2 has been listed in Annex I,

provided that any such interest, other earnings and payments are also frozen in accordance with Article 2(1).

2. Article 2(2) shall not prevent financial or credit institutions in the Union from crediting frozen accounts where they receive funds transferred to the account of a listed natural or legal person, entity or body, provided that any additions to such accounts will also be frozen. The financial or credit institution shall inform the relevant competent authority about any such transaction without delay.

Article 7

By way of derogation from Article 2, and provided that a payment by a person, entity or body listed in Annex I is due under a contract or agreement that was concluded by, or an obligation that arose for the person, entity or body concerned, before the date on which that person,

▼B

entity or body had been designated, the competent authorities of the Member States, as indicated on the websites listed in Annex II, may authorise, under such conditions as they deem appropriate, the release of certain frozen funds or economic resources, if the following conditions are met:

- (a) the competent authority concerned has determined that:
 - (i) the funds or economic resources will be used for a payment by a person, entity or body listed in Annex I; and
 - (ii) the payment is not in breach of Article 2(2); and
- (b) the Member State concerned has, at least 2 weeks prior to granting the authorisation, notified the other Member States and the Commission of that determination and its intention to grant an authorisation.

Article 8

1. The freezing of funds and economic resources or the refusal to make funds or economic resources available, carried out in good faith on the basis that such action is in accordance with this Regulation, shall not give rise to liability of any kind on the part of the natural or legal person or entity or body implementing it, or its directors or employees, unless it is proved that the funds and economic resources were frozen or withheld as a result of negligence.

2. The prohibition set out in Article 2(2) shall not give rise to any liability of any kind on the part of the natural and legal persons, entities and bodies who made funds or economic resources available if they did not know, and had no reasonable cause to suspect, that their actions would infringe the prohibition in question.

Article 9

1. Without prejudice to the applicable rules concerning reporting, confidentiality and professional secrecy, natural and legal persons, entities and bodies shall:

- (a) supply immediately any information which would facilitate compliance with this Regulation, such as accounts and amounts frozen in accordance with Article 2, to the competent authority in the Member State where they are resident or located, as indicated on the websites listed in Annex II, and shall transmit such information, either directly or through the Member States, to the Commission; and
- (b) cooperate with that competent authority in any verification of that information.

2. Any information provided or received in accordance with this Article shall be used only for the purposes for which it was provided or received.

Article 10

Member States and the Commission shall immediately inform each other of measures taken under this Regulation and shall supply each other with

▼B

any other relevant information at their disposal in connection with this Regulation, in particular information in respect of violations, enforcement problems and judgments handed down by national courts.

Article 11

The Commission shall be empowered to amend Annex II on the basis of information supplied by Member States.

Article 12

1. Where the Council decides to subject a natural or legal person, entity or body to the measures referred to in Article 2(1), it shall amend Annex I accordingly.

2. The Council shall communicate its decision, including the grounds for the listing, to the natural or legal person, entity or body, either directly, if the address is known, or through the publication of a notice, providing such person, entity or body with an opportunity to present observations.

3. Where observations are submitted, or where substantial new evidence is presented, the Council shall review its decision and shall inform the person, entity or body accordingly.

4. The list in Annex I shall be reviewed at regular intervals and at least every 12 months.

Article 13

1. Member States shall lay down the rules on penalties applicable to infringements of the provisions of this Regulation and shall take all measures necessary to ensure that they are implemented. The penalties provided for shall be effective, proportionate and dissuasive.

2. Member States shall notify the Commission of those rules without delay after the entry into force of this Regulation and shall notify it of any subsequent amendment to them.

Article 14

Where there is, in this Regulation, a requirement to notify, inform or otherwise communicate with the Commission, the address and other contact details to be used for such communication shall be those indicated in Annex II.

Article 15

This Regulation shall apply:

- (a) within the territory of the Union, including its airspace;
- (b) on board any aircraft or any vessel under the jurisdiction of a Member State;

▼B

- (c) to any person inside or outside the territory of the Union who is a national of a Member State;
- (d) to any legal person, entity or body which is incorporated or constituted under the law of a Member State;
- (e) to any legal person, entity or body in respect of any business done in whole or in part within the Union.

Article 16

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

100.	ZAREPOUR Issa عيسى زارع پور	POB: Eslamabad-e Gharb, Kermanshah Province (Iran) DOB: 1980 Nationality: Iranian Gender: male Position: Minister of Information and Communications Technology	Issa Zarepour has been the Iranian Minister of Information and Communications Technology since 25 August 2021. In his position, he played a key role in the Iranian government's decision to systematically violate the Iranian people's freedom of opinion and expression by imposing restrictions on internet access during the protests that followed the death of 22-year old Mahsa Amini on 16 September 2022. That action further diminished the already very limited space for civil society actors in Iran, including human rights defenders, to gather objective information and communicate, both amongst themselves and with the outside world. The internet blackout had negative consequences for the enjoyment of human rights in Iran, both directly (namely the impact on freedom of opinion and expression and availability of objective information) and indirectly (namely the increased chance of human rights violations not being documented thereby negatively impacting accountability for human rights violations).	17.10.2022

1.	Cyber Police	Location: Tehran (Iran) Website: http://www.cyberpolice.ir	<p>The Iranian Cyber Police, founded in January 2011, is a unit of the Islamic Republic of Iran Police, headed by Vahid Majid. From the time of its inception until early 2015 it was headed by Esmail Ahmadi-Moqaddam (listed). Ahmadi-Moqaddam underlined that the Cyber Police would take on anti-revolutionary and dissident groups who used internet-based social networks in 2009 to trigger protests against the re-election of President Mahmoud Ahmadinejad. In January 2012, the Cyber Police issued new guidelines for internet cafés, requiring users to provide personal information that would be kept by café owners for six months, as well as a record of the websites they visited. The rules also require café owners to install closed-circuit television cameras and maintain the recordings for six months. These new rules may create a logbook that authorities can use to track down activists or whoever is deemed a threat to national security.</p> <p>In June 2012, Iranian media reported that the Cyber Police would be launching a crackdown on virtual private networks (VPNs). On 30 October 2012, the Cyber Police arrested the blogger Sattar Beheshti without a warrant for ‘actions against national security on social networks and Facebook’. Beheshti had criticised the Iranian government in his blog. Beheshti was found dead in his prison cell on 3 November 2012, and is believed to have been tortured to death by the Cyber Police authorities. The Cyber Police is responsible for many arrests of Telegram Group Administrators in connection with the nationwide protests of November 2019.</p>	12.3.2013

Note 2 For the purposes of item 3.5 the term 'vehicles' includes trailers.
4. Explosive substances and related equipment as follows:
 - 4.1 Equipment and devices specially designed to initiate explosions by electrical or non-electrical means, including firing sets, detonators, igniters, boosters and detonating cord, and specially designed components therefor; except those specially designed for a specific commercial use consisting of the actuation or operation by explosive means of other equipment or devices the function of which is not the creation of explosions (e.g., car air-bag inflaters, electric-surge arresters of fire sprinkler actuators);
 - 4.2 Linear cutting explosive charges not controlled by the Common Military List;

- 4.3 Other explosives not controlled by the Common Military List and related substances as follows:
 - a. amatol;
 - b. nitrocellulose (containing more than 12,5 % nitrogen);
 - c. nitroglycol;
 - d. pentaerythritol tetranitrate (PETN);
 - e. picryl chloride;
 - f. 2,4,6-trinitrotoluene (TNT).
5. Protective equipment not controlled by ML 13 of the Common Military List as follows:
 - 5.1 Body armour providing ballistic and/or stabbing protection;
 - 5.2 Helmets providing ballistic and/or fragmentation protection, anti-riot helmets, antiriot shields and ballistic shields.

Note: This item does not control:

 - *equipment specially designed for sports activities;*
 - *equipment specially designed for safety of work requirements.*
6. Simulators, other than those controlled by ML 14 of the Common Military List, for training in the use of firearms, and specially designed software therefor.
7. Night vision, thermal imaging equipment and image intensifier tubes, other than those controlled by the Common Military List.
8. Razor barbed wire.
9. Military knives, combat knives and bayonets with blade lengths in excess of 10 cm.
10. Production equipment specially designed for the items specified in this list.
11. Specific technology for the development, production or use of the items specified in this list.

▼ **M2***ANNEX IV***Equipment, technology and software referred to in Articles 1b and 1c****General Note**

Notwithstanding the contents of this Annex, it shall not apply to:

- (a) equipment, technology or software which are specified in Annex I to Council Regulation (EC) 428/2009 ⁽¹⁾ or the Common Military List; or
- (b) software which is designed for installation by the user without further substantial support by the supplier and which is generally available to the public by being sold from stock at retail selling points, without restriction, by means of:
 - (i) over the counter transactions;
 - (ii) mail order transactions;
 - (iii) electronic transactions; or
 - (iv) telephone order transactions; or
- (c) software which is in the public domain.

The categories A, B, C, D and E refer to the categories referred to in Regulation (EC) No 428/2009.

The ‘equipment, technology and software’ referred to in Article 1b is:

A. List of equipment

- Deep Packet Inspection equipment
- Network Interception equipment including Interception Management Equipment (IMS) and Data Retention Link Intelligence equipment
- Radio Frequency monitoring equipment
- Network and Satellite jamming equipment
- Remote Infection equipment
- Speaker recognition/processing equipment
- IMSI ⁽²⁾, MSISDN ⁽³⁾, IMEI ⁽⁴⁾, TMSI ⁽⁵⁾ interception and monitoring equipment

⁽¹⁾ Council Regulation (EC) No 428/2009 of 5 May 2009 setting up a Community regime for the control of exports, transfer, brokering and transit of dual-use items (OJ L 134, 29.5.2009, p. 1).

⁽²⁾ IMSI stands for International Mobile Subscriber Identity. It is a unique identification code for each mobile telephony device, integrated in the SIM card and which allows identification of such SIM via GSM and UMTS networks.

⁽³⁾ MSISDN stands for Mobile Subscriber Integrated Services Digital Network Number. It is a number uniquely identifying a subscription in a GSM or a UMTS mobile network. Simply put, it is the telephone number to the SIM card in a mobile phone and therefore it identifies a mobile subscriber as well as IMSI, but to route calls through him.

⁽⁴⁾ IMEI stands for International Mobile Equipment Identity. It is a number, usually unique to identify GSM, WCDMA and IDEN mobile phones as well as some satellite phones. It is usually found printed inside the battery compartment of the phone. interception (wire-tapping) can be specified by its IMEI number as well as IMSI and MSISDN.

⁽⁵⁾ TMSI stands for Temporary Mobile Subscriber Identity. It is the identity that is most commonly sent between the mobile and the network.

- Tactical SMS ⁽¹⁾ /GSM ⁽²⁾ /GPS ⁽³⁾ /GPRS ⁽⁴⁾ /UMTS ⁽⁵⁾ /CDMA ⁽⁶⁾ / PSTN ⁽⁷⁾ interception and monitoring equipment
- DHCP ⁽⁸⁾ /SMTP ⁽⁹⁾, GTP ⁽¹⁰⁾ information interception and monitoring equipment
- Pattern Recognition and Pattern Profiling equipment
- Remote Forensics equipment
- Semantic Processing Engine equipment
- WEP and WPA code breaking equipment
- Interception equipment for VoIP proprietary and standard protocol

B. Not used

C. Not used

D. ‘Software’ for the ‘development’, ‘production’ or ‘use’ of the equipment specified in A above.

E. ‘Technology’ for the ‘development’, ‘production’ or ‘use’ of the equipment specified in A above.

Equipment, technology and software falling within these categories is within the scope of this Annex only to the extent that it falls within the general description ‘internet, telephone and satellite communications interception and monitoring systems’.

For the purpose of this Annex ‘monitoring’ means acquisition, extraction, decoding, recording, processing, analysis and archiving call content or network data.

⁽¹⁾ SMS stands for Short Message System.

⁽²⁾ GSM stands for Global System for Mobile Communications.

⁽³⁾ GPS stands for Global Positioning System.

⁽⁴⁾ GPRS stands for General Package Radio Service.

⁽⁵⁾ UMTS stands for Universal Mobile Telecommunication System.

⁽⁶⁾ CDMA stands for Code Division Multiple Access.

⁽⁷⁾ PSTN stands for Public Switch Telephone Networks.

⁽⁸⁾ DHCP stands for Dynamic Host Configuration Protocol.

⁽⁹⁾ SMTP stands for Simple Mail Transfer Protocol.

⁽¹⁰⁾ GTP stands for GPRS Tunnelling Protocol.
