- At the request of either the Community or Hungary, the Association Committee shall examine the functioning of the system of the revision of the level of the minimum import prices. If appropriate, the Association Committee shall take the necessary decisions.

5. To encourage and promote the development of trade and for the mutual benefit of all parties concerned, a consultation meeting will be organised three months before the beginning of each marketing year in the European Community. This consultation meeting will take place between the European Commission and the interested European producers' organisations for the products concerned, on the one part and the authorities', producers' and exporters' organisations of all the associated exporting countries, on the other part.

During this consultation meeting, the market situation for soft fruit including, in particular, forecasts for production, stock situation, price evolution and possible market development, as well as possibilities to adapt supply to demand, will be discussed.

Exchange of Letters between the Community and Hungary regarding entry prices applied to the import of fruit and vegetables into the Community

A. Letter from Hungary

Sir,

The Agreement on the adaptation of the agricultural part of the Europe Agreement following the implementation of the Uruguay Round and the enlargement of the European Community signed today between the European Community and Hungary does not contain any provisions regarding the entry price regime applied to the import of fruit and vegetables into the Community.

It has been agreed that the Parties will continue consultations on this sector in order to find a solution. Taking into account, *inter alia*, the experience of the last marketing years, the solution should allow the continuation of trade relations traditionally established between the Community and Hungary for the products concerned. In the mean time, Hungary will not be treated less favourably than other associated countries in this context.

In addition, both parties will continue talks in the framework of the relevant procedures of the Europe Agreement on any other unresolved issues in order to find as soon as possible mutually acceptable solutions.

I should be obliged if you would confirm the agreement of the Council of the European Union to the contents of this letter.

Please accept, Sir, the assurance of my highest consideration.

*For the Government of
the Republic of Hungary*
