## REGULATION (EEC) No 1594/72 OF THE COMMISSION

of 26 July 1972

amending Regulation No 282/67/EEC and Regulation (EEC) No 189/68 on oil seeds which have been the subject of intervention

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community;

*Article 1*

Having regard to Council Regulation No 136/66/EEC<sup>1</sup> of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 2727/71,<sup>2</sup> and in particular Article 26 (3) thereof;

The following shall be substituted for Article 7 of Regulation No 282/67/EEC:

Whereas Commission Regulation No 282/67/EEC<sup>3</sup> of 11 July 1967 on detailed rules for intervention for oil seeds, as last amended by Regulation (EEC) No 1477/71,<sup>4</sup> and Commission Regulation (EEC) No 189/68<sup>5</sup> of 16 February 1968 on certain detailed rules for the disposal of oil seeds bought in by intervention agencies provide for the application of price increases and reductions for seeds offered for intervention or disposed of by intervention agencies and which do not correspond to the standard quality;

'The price to be paid to the seller shall be that ruling on the day of delivery, adjusted in accordance with Article 6, for goods delivered free-at-warehouse not unloaded, the weight of which shall be determined in accordance with the method defined in the Annex to Regulation (EEC) No 1204/72, and subject to the price increases and reductions set out in Annex I.'

*Article 2*

The Annex to this Regulation shall be substituted for Annex I to Regulation No 282/67/EEC.

Whereas the effect of the present price increases and reductions is to handicap superior quality seeds; whereas, to avoid this, the system in force should be amended by providing for price increases and reductions only in respect of the oil content of seeds the weight of which has been adjusted in accordance with the method defined in the Annex to Commission Regulation (EEC) No 1204/72<sup>6</sup> of 7 June 1972 laying down detailed rules for the application of the subsidy system for oil seeds;

*Article 3*

The following shall be substituted for Article 5 (2) of Regulation (EEC) No 189/68:

'2. When the seeds offered are not of the standard quality for which the intervention prices are fixed, their weight shall be determined in accordance with the method defined in the Annex to Regulation (EEC) No 1204/72 and the price increases and reductions listed in Annex I to Regulation No 282/67/EEC shall apply to their selling price.'

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats;

*Article 4*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.
