

COMMISSION REGULATION (EEC) No 647/76

of 24 March 1976

fixing the export refunds on beef and veal for the period beginning 1 April 1976

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 568/76⁽²⁾, and in particular the first sentence of Article 18 (5) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 18 of Regulation (EEC) No 805/68 provides that the difference between prices on the world market and prices within the Community for the products listed in Article 1 of that Regulation may be covered by an export refund;

Whereas Council Regulation (EEC) No 885/68 of 28 June 1968⁽³⁾ lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the foreseeable situation on the market in beef and veal that the refund should be fixed as indicated below;

Whereas the present market situation in the Community and the setting possibilities, particularly in certain third countries, leads to granting export refunds for adult bovine animals with a live weight equal or superior to 330 kg, for the export of certain fresh or chilled meats shown in the Annex under subheading ex 02.01 A II a) 1 and for the export to certain destinations, of certain frozen meats shown in the Annex under subheading ex 02.01 A II a) 2;

Whereas, in the case of edible meat of domestic bovine animals, boned or boneless, salted and dried,

there are traditional trade flows to Switzerland; whereas, to the extent necessary to allow this trade to continue, the refund must be fixed at an amount which will cover the difference between prices on the Swiss market and export prices in the Member States;

Whereas, in the case of some other cuts and preserves of meat or offals, Community participation in international trade may be ensured by granting a refund which takes account of the refund hitherto granted to exporters;

Whereas, in the case of other beef and veal products, a refund need not be fixed since Community participation in world trade in these products is not significant;

Whereas Article 92 of the Act of Accession⁽⁴⁾ provides that the refund on exports from the new Member States for the products specified in Article 1 (b) and (c) of Regulation (EEC) No 805/68 shall be corrected by the amount of the difference between the customs duties on the products from which these products are produced;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

⁽²⁾ OJ No L 67, 15. 3. 1976, p. 28.

⁽³⁾ OJ No L 156, 4. 7. 1968, p. 2.

⁽⁴⁾ OJ No L 73, 27. 3. 1972, p. 14.

HAS ADOPTED THIS REGULATION :

805/68 is granted and the amount of that refund is fixed as shown in the Annex.
