

**COUNCIL REGULATION (EEC) No 1228/78**

of 6 June 1978

**on the opening, allocation and administration of a Community tariff quota for rum, arrack and tafia falling within subheading 22.09 C I of the Common Customs Tariff and originating in the overseas countries and territories associated with the European Economic Community (1978/79)**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 136 thereof,

Having regard to Council Decision 76/198/EEC of 9 February 1976 on import arrangements for rum, arrack and tafia falling within subheading 22.09 C I of the Common Customs Tariff and originating in the overseas countries and territories associated with the European Economic Community (1),

Having regard to the proposal from the Commission,

Whereas Decision 76/198/EEC stipulates that rum, arrack and tafia shall be imported into the Community free of customs duties within the limits of a Community tariff quota; whereas the annual size of the quota for the period 1 July to 30 June is to be fixed on the basis of a basic annual quantity, calculated in hectolitres of pure alcohol, to which a rate of growth of 13 % is to be applied, equal to the amount of imports during the best of the last three years for which statistics are available; whereas this rate may be modified in the light of certain criteria;

Whereas Community statistics for the years 1975 to 1977 show that the highest volume of imports into the Community of the products in question originating in the said countries and territories occurred in 1975, namely 63 337 hectolitres of pure alcohol; whereas, in the light of consumption and production within the Community and of the development of trade both within the Community and between the Community, the said countries and territories and the ACP States, the rate of growth for the quota period in question should be 13 %;

Whereas the size of the quota for the period 1 July 1978 to 30 June 1979 should therefore be fixed at 71 571 hectolitres of pure alcohol;

Whereas, owing to the special character of the products in question and their sensitivity on Commu-

nity markets, exceptional provision should be made for a method of use based on a single division among Member States;

Whereas, taking into account actual trends on the markets for the products in question, the needs of the Member States and the economic prospects for the period under consideration, the initial percentage shares in the quota volume could be as follows:

Benelux :	5.80
Denmark :	0.23
Germany :	93.80
France :	0.01
Ireland :	0.01
Italy :	0.01
United Kingdom :	0.14

Whereas the development of imports into the Community of these products should be recorded and imports should accordingly be monitored;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:
