Article 2

1. The decision on tenders received in response to the invitation provided for in Article 1 shall be taken on 27 July 1979.
2. The closing date for submission of tenders shall be 27 July 1979 at 12 noon.
3. The notice of invitation to tender shall be published in the *Official Journal of the European Communities* not less than nine days before the closing date for submission of tenders.

Article 3

1. The prices offered must be expressed in the currency of the Member State in which the invitation to tender was issued.
2. Tenders must in particular mention the Member State in which the tenderer, in the event of his being declared successful, expects to complete the customs export formalities for the products concerned.
3. For the purpose of rendering the tenders comparable, the prices shall be corrected by the monetary compensatory amount applicable on the closing date for submission of tenders to exports from the Member State mentioned in the tender pursuant to paragraph 2. Such correction shall be made by :
 - increasing prices which mention a Member State whose currency has depreciated,
 - reducing prices which mention a Member State whose currency has been revalued.

The monetary compensatory amount shall, where appropriate, be converted into the currency of the Member State in which the invitation to tender is issued using :

- in the case when the currencies concerned are kept at any given moment within a band of 2.25 %, a conversion rate resulting from their central rate,
- in the other cases, the average of the spot rates of the currencies concerned recorded in the Member State in which the invitation to tender is issued during a period from the Wednesday of one week to the Tuesday of the following week being the period immediately preceding the closing date for submission of tenders.

Article 4

The contract shall be awarded to the tenderer offering the best terms, taking into consideration the adjustment referred to in Article 3 (3).

However, if the tenders submitted do not appear to reflect normal market prices and costs, the intervention agency may cancel the invitation to tender.

Article 5

If the tenderer is unable to deliver the goods in compliance with Article 1 (3) on the date given in the

notice of invitation to tender as a result of the late availability of the vessels to be used for sea transportation, the resulting costs shall be borne by the intervention agency.

Article 6

1. The tenderer shall give security of a value of 6 ECU per tonne of goods.

It shall be released :

- in the case of all tenderers whose tenders are unsuccessful or are not accepted,
- in the case of the successful tenderer, when the operations concerned have been carried out within the prescribed time limit and on submission of the original export licence duly granted and endorsed by the competent authorities of the Member State mentioned in the tender pursuant to Article 3 (2),
- in the case of the successful tenderer for quantities not supplied by reason of *force majeure*.

2. The security required under paragraph 1 may be provided in the form of a cash deposit or of a guarantee issued by a credit institution conforming to criteria laid down by each Member State.

Article 7

The product referred to in Article 1 must be of fair and sound merchantable quality, be free from odour, and correspond at least to the standard quality for which the intervention price is fixed.

Article 8

1. The Italian intervention agency shall be responsible for the operations relating to the invitation to tender provided for by this Regulation.

2. It shall forthwith communicate to the Commission the list of firms which have responded to the invitation to tender, specifying the terms of each tender, together with the name and business name of the successful tenderer.

3. Where the customs export formalities for the mobilized product are completed in a Member State other than that in which the invitation to tender is issued, the intervention agency of the latter Member State shall be responsible for the operations following tendering, including payment to the successful tenderer.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.

Furthermore, the amount of the successful tender shall be paid after it has been converted using the average of the spot rates referred to in the second subparagraph of Article 3 (3) to the tenderer in the currency of the Member State in which the operations relating to the tendering are completed.

4. The intervention agency shall request the successful tenderer to supply the following information :

- (a) after each shipment a certificate showing the quantities dispatched and the quality of the products ;
- (b) the date of departure of the vessels.

The information indicated above shall be forwarded by the intervention agency to the Commission immediately upon receipt.

5. When the intervention agency responsible for the operations relating to tendering is not the interven-

tion agency which appoints the successful tenderer, it shall send as soon as possible to the latter the information necessary for releasing the security.

Article 9

On delivery of the goods at the port of shipment, a handing-over certificate shall be supplied to the successful tenderer, acting as agent for the Community, by the agent of the recipient country, or, in the absence of the latter, by the intervention agency of the Member State in whose territory the port of shipment is situated.

Article 10
