COUNCIL REGULATION (EEC) No 1994/80

of 22 July 1980

determining, for the 1980/81 wine-growing year, the prices to be paid under the compulsory distillation of the by-products of wine-making and the maximum amount of the contribution from the Guarantee Section of the European Agricultural Guidance and Guarantee Fund

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine (1), as last amended by Regulation (EEC) No 1990/80 (2), and in particular Article 39 (6) thereof,

Having regard to the proposal from the Commission,

Whereas, in accordance with Article 39 of Regulation (EEC) No 337/79 and Articles 2, 3 and 4 of Council Regulation (EEC) No 349/79 of 5 February 1979 on the distillation of the by-products of wine-making (3), the Council fixes for each wine-growing year the buying-in price for wine deliveries and the price for the alcohol from wine deliveries under the compulsory distillation of the by-products of wine-making and determines the maximum amount for the costs of the intervention agencies to be financed by the Guarantee Section of the European Agricultural Guidance and Guarantee Fund;

Whereas the buying-in price for wine deliveries, in accordance with Article 2 of Regulation (EEC) No 349/79, should be between 30 % and 40 % of the guide price for table wine of type A I applicable with effect from 16 December 1980; whereas the said price, while remaining within the abovementioned limits, should be fixed taking into account both the need to ensure that all producers fulfil all their obligations to distill the by-products of wine-making, and the level of the market price for vinous alcohol;

Whereas, when the price of alcohol from wine deliveries referred to in the first subparagraph of Article 3 (2) of Regulation (EEC) No 349/79 is fixed, the criteria referred to in that provision should be taken into account on a standard basis; whereas, on the other hand, when the prices referred to in the third subparagraph of the said paragraph are fixed, they should be based on the variations in cost which result from the differing origins of the alcohol supplied; whereas it should be specified that all these prices should apply to rectified alcohol;

Whereas the maximum amount of the contribution from the Guarantee Section of the European Agricultural Guidance and Guarantee Fund should be fixed in the light of the alcohol market situation,
