## COMMISSION REGULATION (EEC) No 931/82

of 21 April 1982

on the delivery of various consignments of skimmed-milk powder as food aid

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community,

Having regard to Council Regulation (EEC) No 804/68  
of 27 June 1968 on the common organization of the  
market in milk and milk products<sup>(1)</sup>, as last amended  
by the Act of Accession of Greece, and in particular  
Article 7 (5) thereof,

Having regard to Council Regulation (EEC)  
No 1310/80 of 28 May 1980 laying down general rules  
for the supply of skimmed-milk powder to certain  
developing countries and specialized bodies under the  
1980 food-aid programme<sup>(2)</sup>, and in particular  
Article 6 thereof,

Having regard to Council Regulation (EEC)  
No 1399/81 of 19 May 1981 laying down general rules  
for the supply of skimmed-milk powder to certain  
developing countries and specialized bodies under the  
1981 food-aid programme<sup>(3)</sup>, and in particular  
Article 6 thereof,

Whereas, under the food-aid programmes adopted by  
the Council Regulations specified in the Annex, certain  
recipient third countries and agencies have requested  
delivery of the quantity of skimmed-milk powder set out  
therein;

Whereas, therefore, delivery should be effected in  
accordance with the rules laid down in Commission  
Regulation (EEC) No 303/77 of 14 February 1977  
laying down general rules for the supply of  
skimmed-milk powder and butteroil as food aid<sup>(4)</sup>, as  
last amended by Regulation (EEC) No 3474/80<sup>(5)</sup>;  
whereas, in particular, the periods and terms for  
delivery and the procedure to be followed by the  
intervention agencies to establish the costs arising  
therefrom should be laid down;

Whereas Articles 2 (2) of Regulations (EEC)  
No 1310/80 and (EEC) No 1399/81 specify that,  
provided the normal development of prices on the  
market is not disturbed, the supply of skimmed-milk  
powder as food aid shall be ensured by the buying in of  
skimmed-milk powder on the Community market if the  
quantities available from public stocks are insufficient  
to meet the required amount or if they do not have the  
characteristics necessary for their particular destination;  
whereas skimmed-milk powder should now be bought  
on the open market to secure the necessary supplies, the  
condition in respect of quality being fulfilled and the  
quantities involved not being so large as to disturb the  
normal development of prices on the market;

Whereas the size of the food-aid programme calls for a  
discontinuous series of deliveries and the time normally  
needed to carry out a delivery is several months;  
whereas the Commission will probably have cause  
during the 1981/82 milk year to fix maximum amounts  
for deliveries due to be made during the 1982/83 milk  
year;

Whereas, given the foregoing and the close link between  
the market price of butter and skimmed-milk powder on

the one hand and the intervention prices for these products on the other, it is likely that potential supplies will hold back until the Council's decisions on common agricultural prices and agri-monetary measures are known; whereas past experience has shown that, in such a situation of uncertainty, several potential suppliers prefer not to submit tenders or submit them on the basis of inaccurate or differing forecasts, hence taking the risk that their tender will either not be accepted or involve them in serious losses leading them to withdraw later from a transaction in which they have been named as successful tenderer or contracting party by mutual agreement; whereas, in order to encourage tenders and to ensure that they are not based on hypothetical considerations making them impossible to assess objectively, it is necessary to allow for an increase at the time of payment in the price of successful tenders for deliveries to be made during the 1982/83 milk year, the increase being based on the change in the intervention price; expressed in national currency, as decided by the Council for the 1982/83 milk year;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 April 1982.

HAS ADOPTED THIS REGULATION:

*Article 1*

In accordance with the provisions of Regulation (EEC) No 303/77, the intervention agencies listed in the Annex shall arrange for the delivery of skimmed-milk powder as food aid on the terms specified therein.

In the case of supplies of skimmed-milk powder bought on the Community market for which the delivery date referred to in item 9 of the Annex falls after the end of the 1981/82 milk year, the sum paid on tenders resulting from application of the procedure referred to in item 12 of the Annex shall be increased at the time of payment by the increment in the intervention price, as expressed in the currency of the Member State in which the tender was submitted, arising from the Council's decisions on common agricultural prices and agri-monetary measures for the 1982/83 milk year.

*Article 2*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.
