

COUNCIL REGULATION (EEC) No 1738/82
of 28 June 1982
amending Regulation (EEC) No 1035/72 as regards preventive withdrawals of
apples and pears

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 43
thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European
Parliament⁽¹⁾,

Whereas Article 15a of Council Regulation (EEC) No
1035/72 of 18 May 1972 on the common organization
of the market in fruit and vegetables⁽²⁾, as last
amended by Regulation (EEC) No 1203/82⁽³⁾, lays
down — on a temporary basis — that preventive with-
drawals may be authorized for apples and pears where
the market situation and, in particular, the size of the
crop and the level of prices, give reason to fear a
collapse of the market;

Whereas the experience of the last three marketing
years has shown that application of the preventive
withdrawal arrangements for dessert apples has

ensured more effective support and stabilization of the
market; whereas the system should therefore be
extended;

Whereas the conditions for applying the arrangements
in question have not been met in the case of pears;
whereas, in view of experience with regard to apples,
the arrangements should nonetheless also be extended
for pears,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 15a (3) of Regulation (EEC) No 1035/78, the
date '30 June 1982' shall be replaced by '30 June
1987'.

Article 2

This Regulation shall enter into force on 1 July 1982.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 28 June 1982.

For the Council

The President

P. de KEERSMAEKER
