

COMMISSION REGULATION (EEC) No 1307/84
of 10 May 1984
on delivery of maize as food aid to Upper Volta

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾,

Having regard to Council Regulation (EEC) No 2750/75 of 29 October 1975 fixing criteria for the mobilization of cereals intended as food aid⁽³⁾, as amended by Regulation (EEC) No 3331/82⁽⁴⁾, and in particular Article 6 thereof,

Having regard to Council Regulation (EEC) No 1278/84 of 7 May 1984 laying down the implementing rules for 1984 for Regulation (EEC) No 3331/82 concerning food-aid policy and food-aid management⁽⁵⁾,

Having regard to Council Regulation No 129 of 23 October 1962 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽⁶⁾, as last amended by Regulation (EEC) No 2543/73⁽⁷⁾, and in particular Article 3 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas on 25 April 1984 the Commission of the European Communities decided to grant, under Community measures, various quantities of cereals to certain non-member countries and beneficiary organizations;

Whereas, pursuant to Article 3 (3) of Council Regulation (EEC) No 2750/75, the goods may be purchased anywhere on the Community market;

Whereas an invitation to tender should be issued for supply of the products delivered unloaded at destination in view of the final use to be made of the goods delivered;

Whereas the provisions of Commission Regulation (EEC) No 1974/80 of 22 July 1980 laying down general implementing rules in respect of certain food-

aid operations involving cereals and rice⁽⁸⁾, as last amended by Regulation (EEC) No 3323/81⁽⁹⁾, should be applied as far as possible, particularly in respect of the procedure for submission of tenders, since the manner in which the security is lodged must guarantee that the successful tenderer complies with his obligations;

Whereas, however, the specific provisions concerning delivery to destination must be set out; whereas the successful tenderer must thus bear all risk in the goods up to unloading at the stipulated destination; whereas payment can be made only when proof of delivery to the destination is provided;

Whereas it must be made clear who is to bear any costs which arise in the event that for reasons of *force majeure* the operation in question is not completed within the period stipulated;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

2. Where the most favourable tender is submitted by more than one tenderer, the intervention agency shall award the contract to one of those tenderers by drawing lots.

Following inspection an attestation shall be issued by the intervention agency. The costs relating thereto shall be borne by the successful tenderer.

The successful tenderer shall provide that intervention agency with the certificate showing that the fumigation has been carried out.

2. Samples intended for analysis shall be taken and the inspection shall be carried out in accordance with the trade practices in force in the country of shipment. The successful tenderer and the recipient's representative shall be invited to take part in the operation.

Article 9

If the successful tenderer, for reasons of *force majeure*, has to bear exceptional costs in respect of the delivery made under this Regulation which cannot be covered by insurance, he may receive compensation therefor on production of supporting documents and with the prior agreement of the Commission.

Article 10

Except in case of *force majeure* the successful tenderer shall bear all the financial consequences of the non-delivery of the goods under the conditions laid down in this Regulation if the recipient had made delivery possible under such conditions.

The costs resulting from the non-delivery of the goods following a case of *force majeure* shall be borne by the intervention agency responsible for payment.
