

COMMISSION DECISION

of 26 June 1987

**recognizing certain parts of the territory of the French Republic as being
officially swine-fever free****(Only the French text is authentic)**

(87/361/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Directive 80/1095/EEC of 11
November 1980 laying down conditions designed to
render and keep the territory of the Community free from
classical swine fever⁽¹⁾, as last amended by Decision
87/230/EEC⁽²⁾, and in particular Article 7 (2) thereof,

Having regard to Commission Decision 82/352/EEC of
10 May 1982 approving the plan for the accelerated eradi-
cation of classical swine fever presented by the French
Republic⁽³⁾,

Whereas the development of the disease situation has led
the French authorities, in conformity with their plan, to
instigate measures which guarantee the protection and
maintenance of the status of certain regions;

Whereas no swine fever has been detected, and vaccina-
tion against swine fever has been stopped for more than
15 months within the regions to be recognized as offici-
ally swine-fever free;

Whereas the status of the designated officially swine-fever
free regions will be maintained by the application of the
measures foreseen in Article 7 (2) of Directive
80/1095/EEC;

Whereas the measures provided for in this Decision are in
accordance with the opinion of the Standing Veterinary
Committee,

HAS ADOPTED THIS DECISION:

Article 1

The parts of the territory of the French Republic consti-
tuted by the regions described in the Annex are recog-
nized as officially swine-fever free in the sense of Article
7 (2) of Directive 80/1095/EEC.

Article 2

This Decision is addressed to the French Republic.

Done at Brussels, 26 June 1987.

For the Commission

Frans ANDRIESEN

Vice-President
