## amending Regulation (EEC) No 3540/85 laying down detailed rules for the application of the special measures for peas, field beans and sweet lupins

Whereas Article 6 of Commission Regulation (EEC) No 3540/85<sup>(3)</sup>, as last amended by Regulation (EEC) No 729/87<sup>(4)</sup>, lays down, for the 1985/86 and 1986/87 marketing years, special provisions relating to the issue of certificates of purchase at the minimum price and determines the conditions to be complied with by lupin seed for it to rank as sweet lupins; whereas these provisions should be renewed for one marketing year to enable problems arising to be fully reviewed;

Whereas Article 12 and Article 7 of Regulation (EEC) No 3540/85 provide for the use of different means of communication such as letters, telegrams or telex messages for the submission by the approved user of the application for the certificate of aid fixed in advance or the identification application; whereas one such means of communication should be the telecopy facility, as is already the case for other sectors;
