

COUNCIL DIRECTIVE

of 7 June 1988

amending Directive 79/581/EEC on consumer protection in the indication of the prices of foodstuffs

(88/315/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 100 a thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

In cooperation with the European Parliament ⁽²⁾,

Having regard to the opinion of the Economic and Social Committee ⁽³⁾,

Whereas the programmes of the Community for a consumer protection and information policy ⁽⁴⁾ provide for the establishment of common principles for indicating prices;

Whereas Council Directive 79/581/EEC of 19 June 1979 on consumer protection in the indication of the prices of foodstuffs ⁽⁵⁾ requires the Council to take a decision on conditions for applying the obligation to indicate the unit price of foodstuffs pre-packaged in pre-established quantities and at the same time it lays down the categories of foodstuffs which may be exempted from this requirement;

Whereas it is important to adopt measures with the aim of progressively establishing the internal market over a period expiring on 31 December 1992 at the latest;

Whereas the Council resolution of 19 June 1979 on the indication of prices of foodstuffs and non-food household products pre-packaged in pre-established quantities ⁽⁶⁾ lists the criteria that ranges of quantities must satisfy to qualify for exemption from unit-pricing;

Whereas, by establishing simple and easily comparable quantity ranges, the standardization of quantities of pre-packaged foodstuffs is likely to make it easier for the consumer to compare prices at the place of sale; whereas the obligation to display the unit price should, wherever possible, be replaced by such standardization;

Whereas ranges of quantities for pre-packaged products are laid down by Directive 80/232/EEC of 15 January 1980 on the approximation of the laws of the Member States relating to the ranges of nominal quantities and nominal capacities permitted for certain pre-packaged products ⁽⁷⁾, as amended by Directive 86/96/EEC ⁽⁸⁾, Council Directive 75/106/EEC of 19 December 1974 on the approximation of the laws of the Member States relating to the making-up by volume of certain pre-packaged liquids ⁽⁹⁾, as last amended by Directive 85/10/EEC ⁽¹⁰⁾, Council Directive 73/241/EEC of 24 July 1973 on the approximation of the laws of the Member States relating to cocoa and chocolate products intended for human consumption ⁽¹¹⁾, as last amended by Directive 85/7/EEC ⁽¹²⁾, Council Directive 73/437/EEC of 11 December 1973 on the approximation of the laws of the Member States concerning certain sugars intended for human consumption ⁽¹³⁾, as last amended by the Act of Accession of Spain and Portugal ⁽¹⁴⁾, and Council Directive 77/436/EEC of 27 June 1977 on the approximation of the laws of the Member States relating to coffee extracts and chicory extracts ⁽¹⁵⁾, as last amended by Directive 85/573/EEC ⁽¹⁶⁾;

Whereas the standardization achieved at Community level to eliminate technical barriers to trade helps to simplify the ranges of quantities of foodstuffs offered to the consumer; whereas provision should be made for the exemption of ranges of quantities established at Community level;

Whereas, for certain categories of foodstuffs, standardization at Community level is not appropriate; whereas, in the case of such foodstuffs, provision should be made for the exemption of ranges of quantities established at national level;

Whereas the obligation to indicate the unit price may be waived by Member States for products in respect of which such indication would be meaningless;

Whereas the rules laid down in this Directive are aimed at informing and protecting consumers,
