

COMMISSION REGULATION (EEC) No 3119/92
of 28 October 1992
fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
 Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 2046/92⁽²⁾,

Having regard to Council Regulation (EEC) No 1650/86 of 26 May 1986 on export refunds and levies on olive oil⁽³⁾, and in particular the first sentence of Article 3 (1) thereof,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulation (EEC) No 1650/86 and Commission Regulation (EEC) No 616/72⁽⁴⁾, as last amended by Regulation (EEC) No 2962/77⁽⁵⁾;

Whereas the first indent of Article 2 of Regulation (EEC) No 1650/86 provides that the refund must be the same for the whole Community;

Whereas, in accordance with Article 4 of Regulation (EEC) No 1650/86, the refund for olive oil must be fixed in the light of the existing situation and outlook in relation to olive oil prices and availability on the Community market and olive oil prices on the world market;

Whereas, however, where the world market situation is such that the most favourable olive oil prices cannot be determined, account may be taken of the price of the main competing vegetable oils on the world market and the difference recorded between that price and the price of olive oil during a representative period;

Whereas the amount of the refund may not exceed the difference between the price of olive oil in the Community and that on the world market, adjusted, where appropriate, to take account of export costs for the products on the world market;

Whereas, in accordance with Article 5 of Regulation (EEC) No 1650/86, it may be decided that the refund shall be fixed by tender;

Whereas the tendering procedure should cover the amount of the refund and may be limited to certain countries of destination, quantities, qualities and presentations;

Whereas the second indent of Article 2 of Regulation (EEC) No 1650/86 provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 3 (1) of Regulation (EEC) No 1650/86 provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90⁽⁷⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas Council Regulation (EEC) No 1432/92⁽⁸⁾, as amended by Regulation (EEC) No 2015/92⁽⁹⁾, prohibits trade between the Community and the Republics of Serbia and Montenegro; whereas this prohibition does not apply to certain situations as given in the limitative enumeration laid down in Articles 2 and 3; whereas this should be taken into account when refunds are fixed;

Whereas the Management Committee for Oils and Fats has not delivered an opinion within the time limit set by its Chairman,
