

COMMISSION REGULATION (EEC) No 3213/92

of 4 November 1992

fixing the intervention thresholds for oranges, mandarins, satsumas and clementines for the 1992/93 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1754/92⁽²⁾, and in particular Articles 16 a (5) and 16 b (4) thereof,

Having regard to Council Regulation (EEC) No 2240/88 of 19 July 1988 fixing, for peaches, lemons and oranges, the rules for applying Article 16 b of Regulation (EEC) No 1035/72 on the common organization of the market in fruit and vegetables⁽³⁾, as last amended by Regulation (EEC) No 1623/91⁽⁴⁾, and in particular Article 1 (3) thereof,

Whereas, pursuant to Article 1 (1) of Regulation (EEC) No 2240/88, the intervention threshold for oranges is to be equal, as from the 1991/92 marketing year, to 10 % of the average production intended to be consumed fresh in the last five marketing years for which data are available; whereas, however, pursuant to Article 2 of Council Regulation (EEC) No 1123/89 of 27 April 1989 amending Regulation (EEC) No 2601/69 with respect to the processing aid scheme and amending the rules for applying the intervention thresholds for certain fruits⁽⁵⁾, the threshold for oranges thus calculated must be increased by a quantity equal to the average quantity of oranges in respect of which financial compensation was paid during the 1984/85 to 1988/89 marketing years inclusive, pursuant to abovementioned Regulation (EEC) No 2601/69;

Whereas pursuant to Article 16 a (2) of Regulation (EEC) No 1035/72, the intervention thresholds for mandarins, satsumas and clementines are to be equal, as from the

1991/92 marketing year, to 10 % of the average production intended to be consumed fresh in the last five marketing years for which data are available; whereas, however, pursuant to Article 3 of Regulation (EEC) No 1123/89, the quantities of mandarins, satsumas and clementines delivered for processing under Council Regulation (EEC) No 2601/69 of 18 December 1969 laying down special measures to encourage the processing of mandarins, satsumas, clementines and oranges⁽⁶⁾, as last amended by Regulation (EEC) No 3848/89⁽⁷⁾, are to be treated as production intended to be consumed fresh for the purposes of fixing the intervention thresholds for those products;

Whereas the intervention thresholds for the products in question should be fixed for the 1992/93 marketing year, in accordance with the abovementioned provisions;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

The intervention thresholds for oranges, mandarins, satsumas and clementines for the 1992/93 marketing year shall be as follows:

— oranges:	1 179 400 tonnes
— mandarins:	33 900 tonnes
— satsumas:	35 800 tonnes
— clementines:	112 900 tonnes.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 November 1992.
