

**COMMISSION REGULATION (EEC) No 1787/93**  
of 30 June 1993

**amending Annex II to Regulation (EEC) No 3578/86 with regard to the conversion factors to be applied to the buying-in prices for fruit and vegetables with respect to tomatoes**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,  
Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market and vegetables<sup>(1)</sup>, as last amended by Regulation (EEC) No 638/93<sup>(2)</sup>, and in particular Article 16 (4) thereof,

Whereas Annex II to Commission Regulation (EEC) No 3587/86<sup>(3)</sup>, as last amended by Regulation (EEC) No 1201/93<sup>(4)</sup>, fixes the conversion factors to be applied to the buying-in prices for tomatoes with characteristics different to those used to fix the basic prices;

Whereas under the terms of the abovementioned Annex, provision is made for different coefficients corresponding to the different weights of fresh tomatoes after packaging for the purpose of calculating the buying-in and withdrawal prices; whereas observations of current marketing practices shows that tomatoes intended for consumption in the fresh state are generally put up in packages of 7 kg; whereas, therefore, it is appropriate to maintain a factor 1 for this type of packaging only; whereas it is therefore sufficient to apply to such packaging a factor of 0,70; whereas, lastly, packages in excess of 15 kg or products loose in a means of transport are significantly less costly than the two previous types; whereas, therefore a coefficient of 0,45 is appropriate;

Whereas, in application of Regulation (EEC) No 1289/93<sup>(5)</sup>, as amended by Commission Regulation (EEC) No 1334/93<sup>(6)</sup>, the intervention arrangements apply from 11 June 1993; whereas provision should be

made for the new coefficients to apply as soon as possible;

Whereas the Management Committee for Fruit and Vegetables has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:
