

COMMISSION REGULATION (EC) No 2701/94  
of 7 November 1994

amending Annexes I, II, III and IV to Council Regulation (EEC) No 2377/90  
laying down a Community procedure for the establishment of maximum residue  
limits of veterinary medicinal products in foodstuffs of animal origin

(Text with EEA relevance)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,  
Having regard to the Treaty establishing the European  
Community,

Having regard to Council Regulation (EEC) No 2377/90  
of 26 June 1990 laying down a Community procedure for  
the establishment of maximum residue limits of veter-  
inary medicinal products in foodstuffs of animal  
origin<sup>(1)</sup>, as last amended by Commission Regulation  
(EC) No 1430/94<sup>(2)</sup>, and in particular Articles 6, 7 and 8  
thereof,

Whereas, since the adoption of the Regulation, the  
Annexes have been amended a number of times;  
whereas, by reason of their number, their complexity and  
their dispersal among various *Official Journals of the  
European Communities*, the texts are difficult to use and  
thus lack the clarity which should be an essential feature  
of all legislation; whereas, they should therefore be  
consolidated; whereas on the same occasion the name or  
chemical description of some compounds should be recti-  
fied or made more precise and certain material errors  
should be corrected;

Whereas the measures provided for in this Regulation are  
in accordance with the opinion of the Committee for the  
adaptation to technical progress of directives on the  
removal of technical barriers to trade in the veterinary  
medicinal products sector,

HAS ADOPTED THIS REGULATION:

*Article 1*

Annexes I, II, III and IV to Regulation (EEC) No 2377/90  
are hereby amended as set out in the Annex hereto.

*Article 2*

This Regulation shall enter into force on the 60th day  
following its publication in the *Official Journal of the  
European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member  
States.

Done at Brussels, 7 November 1994.
