

**COMMISSION REGULATION (EC) No 1629/2001**  
**of 9 August 2001**  
**fixing the coefficients applicable to cereals exported in the form of Scotch whisky for the period**  
**2001/02**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EEC) No 2825/93 of 15 October 1993 laying down certain detailed rules for the application of Council Regulation (EEC) No 1766/92 as regards the fixing and granting of adjusted refunds in respect of cereals exported in the form of certain spirit drinks <sup>(1)</sup>, as last amended by Regulation (EC) No 1633/2000 <sup>(2)</sup>, and in particular Article 5 thereof,

Whereas:

- (1) Article 4(1) of Regulation (EEC) No 2825/93 provides that the quantities of cereals eligible for the refund are to be the quantities placed under control and distilled, weighted by a coefficient to be fixed annually for each Member State concerned. That coefficient expresses the ratio between the total quantities exported and the total quantities marketed of the spirituous beverage concerned on the basis of the trend noted in those quantities during the number of years corresponding to the average ageing period of the spirituous beverage in question. In view of the information provided by the United Kingdom on the period 1 January to 31 December 2000, the average ageing period in 2000 was seven years for Scotch whisky. The coefficients for the

period 1 October 2001 to 30 September 2002 should be fixed.

- (2) Article 10 of Protocol 3 to the Agreement on the European Economic Area <sup>(3)</sup> precludes the grant of refunds for exports to Liechtenstein, Iceland and Norway. Therefore, pursuant to Article 7(2) of Regulation (EEC) No 2825/93, account should be taken of this in the calculation of the coefficient for 2001/02.
- (3) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

*Article 1*

For the period 1 October 2001 to 30 September 2002 the coefficients provided for in Article 4 of Regulation (EEC) No 2825/93 applying to cereals used in the United Kingdom for manufacturing Scotch whisky shall be as set out in the Annex.

*Article 2*

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 October 2001.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 9 August 2001.

*For the Commission*

Franz FISCHLER
