COUNCIL REGULATION (EC) No 1771/2003
of 7 October 2003
amending Regulation (EC) No 2803/2000 as regards the opening and increase of autonomous
Community tariff quotas for certain fishery products

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 26 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) Community supplies of certain fishery products currently depend on imports from third countries. It is therefore in the Community's interest to suspend in part or in whole the customs duties for the products in question, in order not to jeopardise the development prospects of the fish production in the Community and to ensure an adequate supply to satisfy user industries. Council Regulation (EC) No 2803/2000 of 14 December 2000 opening and providing for the administration of autonomous Community tariff quotas for certain fishery products⁽¹⁾ has therefore suspended tariff quota for certain fishery products for a certain period.
- (2) The Commission has researched the markets and supply needs of user industries for 2003. Having regard to the requirements of the internal and external policies of the Community, certain new tariff quotas for the products in question should be opened and certain existing quotas should be increased to ensure continuation of Community production.

- (3) Regulation (EC) No 2803/2000 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

 - (c) the quota amount of the tariff quota 09.2794 shall be fixed at 7 000 tonnes.

Article 2

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 7 October 2003.
