

DECISION No 1903/2006/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL
of 12 December 2006
establishing the Culture Programme (2007-2013)

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

in full compliance with the Charter of Fundamental Rights of the European Union.

Having regard to the Treaty establishing the European Community, and in particular the first indent of Article 151(5) thereof,

- (4) It is essential that the cultural sector contribute to, and play a role in, broader European political developments. The cultural sector is an important employer in its own right and there is, in addition, a clear link between investment in culture and economic development, hence the importance of reinforcing cultural policies at regional, national and European level. Accordingly, the place of cultural industries in the developments taking place under the Lisbon Strategy should be strengthened, as these industries are making an increasingly large contribution to the European economy.

Having regard to the proposal from the Commission,

Having regard to the Opinion of the Committee of the Regions ⁽¹⁾,

- (5) It is also necessary to promote active citizenship and strengthen the fight against exclusion in all its forms, including racism and xenophobia. Improving access to culture for as many as possible can be a means of combating social exclusion.

Acting in accordance with the procedure laid down in Article 251 of the Treaty ⁽²⁾,

Whereas:

- (6) Article 3 of the Treaty stipulates that, in all the activities referred to in that Article, the Community is to aim at eliminating inequalities, and at promoting equality, between men and women.

(1) It is essential to promote cooperation and cultural exchanges in order to respect and promote the diversity of cultures and languages in Europe and improve knowledge among European citizens of European cultures other than their own, while at the same time heightening their awareness of the common European cultural heritage they share. Promoting cultural and linguistic cooperation and diversity thus helps to make European citizenship a tangible reality by encouraging direct participation by European citizens in the integration process.

- (7) The Kaleidoscope, Ariane, Raphaël and Culture 2000 cultural programmes, set out respectively in Decisions Nos 719/96/EC ⁽³⁾, 2085/97/EC ⁽⁴⁾, 2228/97/EC ⁽⁵⁾ and 508/2000/EC ⁽⁶⁾, marked positive stages in the implementation of Community action on culture. Considerable experience has thus been acquired, particularly through the evaluation of these cultural programmes. It is at present worthwhile to rationalise and strengthen Community cultural action on the basis of the results of these evaluations, the results of consultation with all interested parties and recent work by the European institutions. It is therefore appropriate to establish a programme to this end.

(2) An active cultural policy aimed at the preservation of European cultural diversity and the promotion of its common cultural elements and cultural heritage can contribute to improving the external visibility of the European Union.

(3) For citizens to give their full support to, and participate fully in, European integration, greater emphasis should be placed on their common cultural values and roots as a key element of their identity and their membership of a society founded on freedom, equity, democracy, respect for human dignity and integrity, tolerance and solidarity,

⁽³⁾ Decision No 719/96/EC of the European Parliament and of the Council of 29 March 1996 establishing a programme to support artistic and cultural activities having a European dimension (Kaleidoscope) (OJ L 99, 20.4.1996, p. 20). Decision as amended by Decision No 477/1999/EC (OJ L 57, 5.3.1999, p. 2).

⁽⁴⁾ Decision No 2085/97/EC of the European Parliament and of the Council of 6 October 1997 establishing a programme of support, including translation, in the field of books and reading (Ariane) (OJ L 291, 24.10.1997, p. 26). Decision as amended by Decision No 476/1999/EC (OJ L 57, 5.3.1999, p. 1).

⁽⁵⁾ Decision No 2228/97/EC of the European Parliament and of the Council of 13 October 1997 establishing a Community action programme in the field of cultural heritage (The Raphael Programme) (OJ L 305, 8.11.1997, p. 31). Decision as repealed by Decision No 508/2000/EC (OJ L 63, 10.3.2000, p. 1).

⁽⁶⁾ Decision No 508/2000/EC of the European Parliament and of the Council of 14 February 2000 establishing the Culture 2000 programme (OJ L 63, 10.3.2000, p. 1). Decision as last amended by Council Regulation (EC) No 885/2004 (OJ L 168, 1.5.2004, p. 1).

⁽¹⁾ OJ C 164, 5.7.2005, p. 65.

⁽²⁾ Position of the European Parliament of 25 October 2005 (OJ C 272 E, 9.11.2006, p. 233), Council Common Position of 18 July 2006 (OJ C 238 E, 3.10.2006, p. 18) and Position of the European Parliament of 24 October 2006 (not yet published in the Official Journal). Council Decision of 11 December 2006.

- (8) The European institutions have themselves spoken out on many occasions on subjects relating to Community cultural action and the challenges of cultural cooperation, in particular in Council Resolutions of 25 June 2002 on a new work plan on European cooperation in the field of culture ⁽¹⁾ and of 19 December 2002 implementing the work plan for European cooperation in the field of culture ⁽²⁾, resolutions of the European Parliament of 5 September 2001 on cultural cooperation in the European Union ⁽³⁾, of 28 February 2002 on the implementation of the Culture 2000 Programme ⁽⁴⁾, of 22 October 2002 on the importance and dynamism of the theatre and the performing arts in an enlarged Europe ⁽⁵⁾, and of 4 September 2003 on Cultural Industries ⁽⁶⁾, and the opinion of the Committee of the Regions of 9 October 2003 on the extension of the Culture 2000 Programme.
- (9) The Council, in its abovementioned resolutions, has stressed the need to adopt a more coherent approach at Community level with regard to culture, and that European added value is an essential and determining concept in the context of European cultural cooperation, and a general condition for Community measures in the field of culture.
- (10) In order to make this common cultural area for the peoples of Europe a reality, it is important to promote the transnational mobility of cultural players and the transnational circulation of artistic and cultural works and products, and to encourage dialogue and cultural exchanges.
- (11) The Council, in its conclusions of 16 November 2004 relating to the work plan on culture (2005-2006), the European Parliament in its resolution of 4 September 2003 on Cultural Industries, and the European Economic and Social Committee in its opinion of 28 January 2004 on cultural industries in Europe, have expressed their views on the need to take greater account of the specific economic and social features of non-audiovisual cultural industries. Moreover, the preparatory actions for cooperation on cultural matters promoted between 2002-2004 should be taken into account in the new programme.
- (12) In this context, there is a case for promoting increased cooperation between cultural players by encouraging them to form multi-annual cooperation projects, thus enabling them to develop common activities, to provide support for more targeted measures with a real European added value, to support symbolic cultural events, to support European cultural cooperation organisations and to encourage analyses on chosen themes of European interest, as well as the collection and dissemination of information and activities aimed at maximising the impact of projects in the field of European cultural cooperation and European cultural policy development.
- (13) Under Decision No 1622/2006/EC of the European Parliament and of the Council of 24 October 2006 establishing a Community action for the European Capital of Culture event for the years 2007 to 2019 ⁽⁷⁾ significant funding should be given to this event, which has a high profile among Europeans and helps to strengthen the feeling of belonging to a common cultural area. In the context of this event, the accent should be on trans-European cultural cooperation.
- (14) Support should be given to the operation of organisations working for European cultural cooperation and thus playing the role of ambassadors of European culture, based on the experience acquired by the European Union in the context of Decision No 792/2004/EC of the European Parliament and of the Council of 21 April 2004 establishing a Community action programme to promote bodies active at European level in the field of culture ⁽⁸⁾.
- (15) It is necessary for the Programme, in compliance with the principle of freedom of expression, to contribute to the European Union's efforts to promote sustainable development and to combat all forms of discrimination.
- (16) The European Union candidate countries and EFTA countries which are members of the EEA Agreement should be recognised as potential participants in Community programmes in accordance with the agreements concluded with those countries.
- (17) The European Council of 19 and 20 June 2003 adopted the 'Thessaloniki Agenda for the Western Balkans: moving towards European integration', laying down that Community programmes should be open to the countries in the Stabilisation and Association Process on the basis of framework agreements to be signed between the Community and those countries. If they wish, those countries should be able, depending on budgetary considerations or political priorities, to take part in the Programme or benefit from a more limited formula for cooperation, on the basis of supplementary appropriations and specific procedures to be agreed between the parties concerned.
- (18) The Programme should also be open to cooperation with other third countries which have signed agreements with the Community containing a cultural strand, in accordance with procedures to be defined.

- (19) It is necessary, in order to increase the added value of the Community action, to ensure coherence and complementarity between actions carried out within the framework of this Decision and other relevant Community policies, actions and instruments, in compliance with Article 151 (4) of the Treaty. Particular attention should be paid to the interface of Community measures in the fields of culture and education and to actions which promote exchanges of best practice and closer cooperation at European level.
- (20) With regard to the implementation of Community support, the specific nature of the cultural sector in Europe should be taken into account, and particular care should be taken to ensure that administrative and financial procedures are simplified as much as possible and adapted to the objectives pursued as well as to practices and developments in the cultural sector.
- (21) The Commission, Member States and the cultural contact points should work to encourage the participation of smaller operators in the multi-annual cooperation projects and the organisation of activities aimed at bringing together potential project partners.
- (22) The Programme should bring together the specific qualities and expertise of cultural operators from throughout Europe. Where necessary, the Commission and Member States should take measures to address low participation rates of cultural operators in any Member State or participating country.
- (23) It is worthwhile ensuring, within the framework of cooperation between the Commission and Member States, ongoing monitoring and evaluation of the Programme in order to enable readjustments, particularly within the priorities for the implementation of measures. The evaluation should include an external evaluation to be conducted by independent, impartial bodies.
- (24) The procedures for monitoring and evaluating the Programme should make use of objectives and indicators which are specific, measurable, achievable, relevant, and timed.
- (25) Suitable measures should be implemented to prevent irregularities and fraud and to recover funds which have been lost or transferred or used improperly.
- (26) It is appropriate to establish a single financing and programming instrument for cultural cooperation, entitled the 'Culture Programme', for the period from 1 January 2007 to 31 December 2013.
- (27) This Decision lays down, for the entire duration of the Programme, a financial envelope constituting the prime reference, within the meaning of point 37 of the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management ⁽¹⁾.
- (28) The measures necessary for the implementation of this Decision should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ⁽²⁾.
- (29) The measures necessary for the financial implementation of this Decision should be adopted in accordance with Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities ⁽³⁾ (hereinafter referred to as 'the Financial Regulation'), and with Commission Regulation (EC, Euratom) No 2342/2002 of 23 December 2002 laying down detailed rules for the implementation of Council Regulation (EC, Euratom) No 1605/2002 ⁽⁴⁾.
- (30) Community action is complementary to national or regional action in the field of cultural cooperation. Since the objectives of this Decision, namely to enhance the European cultural area based on common cultural heritage (transnational mobility of cultural players in Europe, transnational circulation of works of art and cultural and artistic products and intercultural dialogue) cannot be sufficiently achieved by the Member States owing to their transnational character, and can therefore, by reason of the scale or effects of the action, be better achieved at Community level, the Community may adopt measures, in accordance with the principle of subsidiarity as set out in Article 5 of the Treaty. In accordance with the principle of proportionality as set out in that Article, this Decision does not go beyond what is necessary in order to achieve those objectives.
- (31) There should be transitional provisions in order to ensure a smooth transition between the programmes drawn up by Decisions No 508/2000/EC and No 792/2004/EC on the one hand and, on the other, the Programme established by this Decision,

HAVE DECIDED AS FOLLOWS:

ANNEX

I. DESCRIPTION OF ACTIVITIES AND EVENTS

1. First strand: support for cultural actions

1.1. Multi-annual cooperation projects

The Programme shall support sustainable and structured cultural cooperation projects in order to bring together the specific quality and expertise of cultural operators throughout the whole of Europe. This support is intended to assist the cooperation projects in their start-up and structuring phase or in their geographical extension phase. The aim shall be to encourage them to establish sustainable foundations and achieve financial autonomy.

Each cooperation project shall involve at least six operators from six different countries participating in the Programme. Its purpose shall be to bring together a variety of operators from one or more sectors for various multi-annual activities, which may be sectoral or cross-sectoral in nature but which must pursue a common objective.

Each cooperation project shall be intended to carry out a number of structured, multi-annual cultural activities. These activities are to be implemented throughout the duration of Community financing. They must have at least two of the three specific objectives indicated in Article 3(2). Priority will be given to cooperation projects intending to develop activities meeting the three specific objectives in that Article.

The cooperation projects shall be selected following calls for proposals pursuant to the Financial Regulation. In this context, selection will be made on the basis, among other things, of the recognised expertise of co-organisers in their field of activity, their financial and operational capacity to carry out the proposed activities, and the quality of these activities and the extent to which they meet the general objective and specific objectives of the Programme, as set out in Article 3.

The cooperation projects must be founded on a cooperation agreement, i.e. a common document with a legal form in one of the participating countries and signed by all co-organisers.

Community support may not exceed 50 % of the project budget and shall be degressive in nature. It may not exceed EUR 500 000 per year for all activities of the cooperation projects. This support shall be granted for a period of three to five years.

By way of illustration, approximately 32 % of the total budget allocated to the Programme shall be devoted to this type of support.

1.2. Cooperation measures

The Programme shall support sectoral or cross-sectoral cultural cooperation actions between European operators. Priority shall be given to creativity and innovation. Actions aimed at exploring avenues for cooperation in order to develop them over the longer term will be particularly encouraged.

Each action shall be designed and carried out in partnership by at least three cultural operators in three different participating countries, whether or not these operators come from one or more sectors.

Actions shall be selected following calls for proposals pursuant to the Financial Regulation. In this context, selection will be made on the basis of the recognised expertise of co-organisers, their financial and operational capacity to carry out the proposed activities, the quality of these activities and the extent to which they meet the general objective and specific objectives of the Programme, as set out in Article 3.

Community support may not exceed 50 % of the project budget. It may not be less than EUR 50 000 nor more than EUR 200 000. This support shall be granted for a maximum of 24 months.

The conditions set out for this action concerning the minimum number of operators required in order to present projects, as well as the minimum and maximum amounts for Community support, may be adapted to take account of the specific conditions of literary translation.

By way of illustration, approximately 29 % of the total budget allocated to the Programme shall be devoted to this type of support.

1.3. Special actions

The Programme shall also support special actions. These actions shall be special in that they should be substantial in scale and scope, strike a significant chord with the peoples of Europe and help to increase their sense of belonging to the same community, make them aware of the cultural diversity of Member States, and also contribute to intercultural and international dialogue. They must meet at least two of the three specific objectives set out in Article 3. These special actions shall also help to raise the visibility of Community cultural action both within and beyond the European Union. They shall also contribute to raising global awareness of the wealth and diversity of European culture.

Significant support will be given to the 'European Capitals of Culture' in order to help implement activities stressing European visibility and trans-European cultural cooperation.

Special actions may also include the awarding of prizes, in so far as they highlight artists, works or cultural or artistic achievements, make them known beyond national borders and thus encourage mobility and exchanges.

Support may also be given in this context to cooperation with third countries and international organisations, as set out in Article 5(2) and Article 6.

The examples given above do not constitute an exhaustive list of measures likely to be supported under this strand of the Programme.

The selection procedures for special actions will depend on the action in question. Financing will be granted following calls for proposals and invitations to tender, except in the cases referred to in Articles 54 and 168 of the Financial Regulation. Account will also be taken of the extent to which each action meets the general objective and specific objectives of the Programme, as set out in Article 3 of this Decision.

Community support may not exceed 60 % of the project budget.

By way of illustration, approximately 16 % of the total budget allocated to the Programme shall be devoted to this type of support.

2. **Second strand: support for bodies active at European level in the field of culture**

This support shall take the form of an operating grant to co-finance expenditure associated with the permanent work programme of a body which pursues an aim of general European interest in the field of culture or an objective forming part of the Union's policy in this area.

Provision shall be made for these grants to be awarded on the basis of annual calls for proposals.

By way of illustration, approximately 10 % of the total budget allocated to the Programme shall be devoted to this strand.

Support may be given to bodies working for cultural cooperation in one or more of the following ways:

- providing representation at Community level,
- collecting or disseminating information for facilitating trans-European Community cultural cooperation,
- networking at European level for bodies active in the field of culture,
- participating in cultural cooperation projects or acting as ambassadors for European culture.

These bodies must present a real European dimension. In this regard, they must carry out their activities at European level, alone or in the form of various coordinated associations, and their structure (registered members) and activities must have a potential influence at European Union level or cover at least seven European countries.

This strand shall be open to the bodies supported under Part 2 of Annex I to Decision No 792/2004/EC as well as any other body active at European level in the field of culture, provided that they meet the objectives set out in Article 3 of this Decision and comply with the terms and conditions of this Decision.

The beneficiaries of these operating grants shall be selected through a call for proposals. This shall be done on the basis of matching the bodies' work programme with the specific objectives set out in Article 3.

The total operating grant awarded under this strand may not exceed 80 % of the body's admissible expenditure for the year in which the grant is awarded.

3. **Third strand: support for analyses and for the collection and dissemination of information and for maximising the impact of projects in the field of cultural cooperation**

By way of illustration, approximately 5 % of the total budget allocated to the Programme shall be devoted to this strand.

3.1. *Support for cultural contact points*

In order to ensure targeted, effective grass-roots dissemination of practical information on the Programme, it shall provide for support from cultural contact points. These bodies, acting at national level, shall be set up on a voluntary basis according to Article 39 of Regulation (EC, Euratom) No 2342/2002.

The task of the cultural contact points shall be to:

- promote the Programme,
- facilitate access to the Programme for, and encourage participation in its activities by, as many professionals and operators in the cultural field as possible, by means of an effective dissemination of information and by developing appropriate networking initiatives between themselves,

- provide an efficient link with the various institutions providing aid to the cultural sector in Member States, thus contributing to complementarity between the measures taken under the Programme and national support measures,
- provide information on other Community programmes open for cultural projects if required.

3.2. *Support for analyses in the field of cultural cooperation*

The Programme shall support the carrying out of studies and analyses in the field of European cultural cooperation and European cultural policy development. The aim of this support shall be to increase the volume and quality of information and data to develop comparative data and analysis on cultural cooperation at European level, particularly with regard to the mobility of creators and cultural players, the circulation of works of art and artistic and cultural products and intercultural dialogue.

Studies and analyses contributing to increasing knowledge of the phenomenon of trans-European cultural cooperation and to creating favourable conditions for it to flourish may be supported under this strand. Projects aimed at collecting and analysing statistics will be particularly encouraged.

3.3. *Support for the collection and dissemination of information and for maximising the impact of projects in the field of cultural cooperation*

The Programme shall support the collection and dissemination of information and activities aimed at maximising the impact of projects via the development of an Internet tool targeted at the needs of culture professionals in the field of trans-European cultural cooperation.

This tool should make possible the exchange of experience and good practice and the dissemination of information concerning the Programme as well as trans-European cultural cooperation in the broad sense.

II. PROGRAMME MANAGEMENT
