

COMMISSION REGULATION (EC) No 1541/2007

of 20 December 2007

on proof of completion of customs formalities for the import of sugar into third countries as provided for in Article 16 of Regulation (EC) No 800/1999

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 318/2006 of 20 February 2006 on the common organisation of the markets in the sugar sector ⁽¹⁾ and in particular Article 40(1)(g),

Whereas:

- (1) Article 33(2) of Regulation (EC) No 318/2006 provides that export refunds in the sugar sector may vary according to destination, where the world market situation or the specific requirements of certain markets make this necessary.
- (2) Article 1 of Commission Regulation (EC) No 900/2007 of 27 July 2007 on a standing invitation to tender to determine refunds on exports of white sugar until the end of the 2007/2008 marketing year ⁽²⁾ provides for such differentiation by excluding certain destinations.
- (3) Article 14(1) of Regulation (EC) No 800/1999 of 15 April 1999 laying down common detailed rules for the application of the system of export refunds on agricultural products ⁽³⁾ provides that where the rate of refund varies according to destination, refunds are to be paid subject to the additional conditions laid down under Articles 15 and 16 of that Regulation.
- (4) Article 15(1) of Regulation (EC) No 800/1999 provides that the products must have been imported in their unaltered state into the third country or one of the third countries for which the refund applies.
- (5) Article 16 of Regulation (EC) No 800/1999 lists the various documents that may constitute proof of the completion of customs formalities in a third country where the refund rate is differentiated according to destination. Under paragraph 4 of that Article the Commission may decide, in certain specific cases to be determined, that the proof referred to in that Article may

be deemed to be furnished by a specific document or in any other way.

- (6) In the sugar sector export operations are normally governed by contracts defined as fob on the London futures market. As a result, purchasers accept at that fob stage all the contractual obligations, including proof of completion of customs formalities, without being the direct beneficiaries of the refund to which that proof confers the right. Obtaining that proof for all quantities exported may entail considerable administrative difficulties in certain countries, which may substantially delay or prevent payment of the refund for all the quantities actually exported.
- (7) In order to limit the impact on the equilibrium of the sugar market, Commission Regulation (EC) No 436/2007 of 20 April 2007 on proof of completion of customs formalities for the import of sugar into third countries as provided for in Article 16 of Regulation (EC) No 800/1999 ⁽⁴⁾ provides for relaxation of the rules on proof of completion of customs formalities until 31 December 2007.
- (8) Given that the administrative difficulties that prompted this derogation and their impact on the market persist, the alternative proofs of destination should apply for 2008.
- (9) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:
