COMMISSION IMPLEMENTING DECISION (EU) 2019/1923

of 18 November 2019

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

(1) In accordance with Article 17 of Regulation (EU) 2016/424 of the European Parliament and of the Council (2), subsystems and safety components for cableway installations which are in conformity with harmonised standards or parts thereof, the references of which have been published in the Official Journal of the European Union, are to be presumed to be in conformity with the essential requirements set out in Annex II to that Regulation covered by those standards or parts thereof.

(4) The Commission together with the CEN has assessed whether the standards EN 17064:2018, EN 1709:2019 and EN 12927:2019 drafted by CEN comply with the mandate M/300.

(5) The standards EN 17064:2018, EN 1709:2019 and EN 12927:2019 satisfy the requirements which they aim to cover and which are set out in Annex II to Regulation (EU) 2016/424. It is therefore appropriate to publish the references of those standards in the Official Journal of the European Union.

(7) Compliance with a harmonised standard confers a presumption of conformity with the corresponding essential requirements set out in Union harmonisation legislation from the date of publication of the reference of such standard in the Official Journal of the European Union. This Decision should therefore enter into force on the date of its publication,

HAS ADOPTED THIS DECISION:

Article 1

The references of harmonised standards for cableway installations drafted in support of Regulation (EU) 2016/424 listed in Annex I to this Decision, are hereby published in the Official Journal of the European Union.

Article 2

The references of harmonised standards for cableway installations drafted in support of Regulation (EU) 2016/424 listed in Annex II to this Decision, are hereby withdrawn from the Official Journal of the European Union as from the dates set out in that Annex.

Article 3

This Decision shall enter into force on the day of its publication in the Official Journal of the European Union.

Done at Brussels, 18 November 2019.

For the Commission

The President

Jean-Claude JUNCKER
